

Deeply 739

739 Our countdown (3)

Su Wanwan was infected by Xiao Zeze's laughter. Her eyebrows curved and she couldn't help but laugh.

In the distance, the man's slender and tall figure gradually approached. Su Wan raised her eyes and looked at the man's handsome face. She raised a smile and shouted at the man: "Niannian, come and play with us."

However, PEI Munian just stood there and did not move.

Su Wanwan had no choice but to get up from the ground and run towards him. However, when she ran in front of him, his handsome face was covered with haze. His eyes were cold and sharp, like a sharp knife shooting straight at her. The arc of su Wanwan's lips turned stiff.

She called out to him weakly, " Nian Nian Qian Qian.

PEI Munian tugged at the corner of her lips and let out a sneer. His hand suddenly grabbed su Wanwan's collar and lifted her up with force. His voice was low and ruthless. su Wanwan, you actually dared to lie to me. You actually dared to take a bastard and pretend to be my son!

Su Wanwan's eyes widened in shock.

"To think that I believed you, but you've been scheming and unscrupulous! You still shamelessly seduced me. Su Wanwan, do you really think you have the ability to keep hiding from me? Get lost, I don't want to see you again!"

Su Wanwan was pushed away by PEI Munian and fell to the ground in a sorry state. PEI Munian turned around and left without hesitation. She subconsciously wanted to chase after her and open her mouth to explain, but she was suddenly surrounded by many people. Those people in gorgeous clothes looked at her with disdain. Mrs. PEI and Xi Zhiwei stood in front of her and also taunted her.

Xi Zhiwei even laughed and said, " su Wanwan, you're done playing. Get lost on your own. The person brother mu Nian likes is me. He will only be with me!

As soon as Xi Zhiwei finished speaking, she turned around and caught up with PEI Munian. She held his hand and the two of them left together.

"No, it's not like that. No, I didn't mean to lie to you. Listen to me, don't go, don't go!"

"Wanwan!"

"I didn't mean to, I didn't!"

"Wanwan, wake up? Quickly wake up!"

"Don't go, don't go with her. Listen to my explanation, don't go, Yingluo."

Wanwan, quickly wake up. You're having a nightmare, Wanwan!

"Ah ..."

Su Wanwan cried out in alarm. Her eyes suddenly widened. Her eyes were panicked and empty, as if she had experienced an extremely terrible thing.

PEI Munian's hand patted her cheek lightly and her dark eyes looked at her worriedly. Her brows were tightly furrowed and her expression was slightly serious. She asked in a low voice, "Wanwan, are you alright?"

Su Wanwan's Black eyes stiffly moved and her line of sight slowly met the man in front of her. There was no disgust, no coldness, only concern and worry. Her wildly beating heart eased bit by bit and her consciousness slowly returned.

This was her and PEI Munian's bedroom, not that patch of grass. There was no one else around her, no one laughing at her, no one scolding her. Only PEI Munian was here, only him!

Su Wanwan suddenly reached out and hugged PEI Munian.

PEI Munian's body was pulled down by su Wanwan's strength and she almost fell on her. He was quick to react and supported himself by the bedside table before he could stabilize his body.

He felt that su Wanwan's whole body was trembling violently and both her hands were cold. He couldn't help but feel a little distressed. What dream did she have that made her so scared? Just now, he had vaguely heard from her mumbling that it was not intentional and that she was lying.
