Chapter 74 Why did you help her?(6)

Xi Zhiwei was stunned by su Wanwan's sudden slap. She covered her face and looked at su Wanwan in a daze, her eyes full of disbelief.

Su Wanwan withdrew her hand and blinked her eyes. Her voice was soft and she said with an innocent look, " Miss Xi, I'm sorry. I didn't mean to. Does it hurt? "

She was indeed seeking help from Xi Zhiwei, so she had tolerated all of her difficulties. However, she did not stop when she was ahead. Instead, she was insatiable. In the past year, she had restrained her temper a lot, but it did not mean that any random person could bully her.

If the hot porridge had splashed on her, she would have been scalded. Xi Zhiwei was so vicious, she did not have to endure it anymore!

Xi Zhiwei only reacted after a while. Su Wanwan actually hit her!

In the past, su Wanwan relied on the SU family's wealth and power and looked down on everyone. But now that the SU family has declined, she actually still dared to be so arrogant?

"You dare to hit me? Su Wanwan, your su family has already declined, and you still dare to be so arrogant?" Xi Zhiwei screamed out of control.

Su Wanwan retorted without blinking, " Xi Zhiwei, even if the SU family is in dire straits now, we're still better than you, the daughter of the Butler.

"You,"

Xi Zhiwei used the PEI family's background to step out of the way. In the name of Mrs. PEI's goddaughter, only a few people knew that she was only the daughter of a Butler. She didn't expect su Wanwan to expose it in public like this. She was so angry that her whole body trembled and wanted to tear su Wanwan apart on the spot.

She gritted her teeth and raised her hand.

Su Wanwan stood there and didn't Dodge at all. She even raised her chin at her and a beautiful sneer bloomed on her lips. Xi Zhiwei, if you have the ability, hit me!

Xi Zhiwei was extremely angry. The hand that she had raised was ready to fall but she restrained herself.

Outsiders didn't know, but she knew very well that su Wanwan had already married PEI Munian and she was already the legitimate young Madam of the PEI family. She wasn't afraid of the SU family now, but she couldn't afford to offend the PEI family.

Even if Mrs. PEI liked her, even if she and PEI Munian had been friends for so many years, none of them would stand on her side if she embarrassed the young Madam of the PEI family in public.

The more Xi Zhiwei thought about it, the angrier she became. The more she thought about it, the more unwilling she was. However, she was helpless. Her hands clenched tightly. In the end, she could only slowly put them down.

Su Wanwan wasn't surprised at all by her appearance and couldn't help but chuckle. She originally planned to turn around and leave, but she paused, looked up, and looked at Xi Zhiwei. She opened her red lips slightly and said word by word, " Xi Zhiwei, do you know why I've always disdained to pay attention to you in the past? It's not because you're the housekeeper's daughter, but because you're not worthy to be my opponent!"

Xi Zhiwei's face was already ugly. Su Wanwan's words added fuel to the fire. Xi Zhiwei looked at su Wanwan's eyes as if she wanted to swallow her.

After su Wanwan finished speaking, she no longer looked at her. She turned around, stepped on her high heels, and left elegantly!

If Xi Zhiwei had slapped her just now, she might have looked at Xi Zhiwei in a different light. She didn't expect that she was still the same as before, only knowing how to bully the weak and fear the strong!

Unfortunately, she, su Wanwan, wasn't a soft persimmon that she could pinch as she pleased.

She didn't need a spokesperson like this. She didn't believe that she couldn't find someone better than Xi Zhiwei!
