Su Wanwan's movements subconsciously slowed down a little and she slowly walked in.

PEI Munian's words were as short as ever. They were basically "mm" and "okay" until su Wanwan heard the last sentence. I will bring Wanwan and the child back to see mom as soon as possible.

Su Wanwan's eyes suddenly narrowed and her footsteps involuntarily stopped.

PEI Munian put away her phone and turned around. When she saw su Wanwan standing behind him in a daze, he curled his lips and walked towards her. when did you wake up? "

Su Wanwan blinked and squeezed out a smile. just now.

Her pearly white teeth bit her lower lip. Su Wanwan hesitated for half a second but still pretended to be casual and asked softly, " who are you on the phone with? Is it a coachman? is it mom?"

"Yes, dad."

PEI Munian replied, " I was reporting to him about what happened in the United States, and he mentioned it in passing. Mother has already lost her patience. Let's find a day to bring Xiao Zeze back to the old residence for a meal."

Bring Xiao zexe back to the old house for a walk

Su Wanwan's mind couldn't help but float up to yesterday's nightmare. Her hands and feet instantly turned cold and she unconsciously shook her head.

PEI Munian looked at her and frowned in confusion. Wanwan, what's wrong? "

As if thinking that she was afraid to see Mrs. PEI, PEI Munian put her hand on her shoulder and said gently, " "Don't worry. With me around, mom won't make things difficult for you."

She had never been afraid of Mrs. PEI making things difficult for her, but she was afraid that Xiao Zeze would be exposed and angry.

Xiao Zeze's matter could be hidden for a while, but it could not be hidden forever. She did not want this lie to continue to expand.

Alright, alright. If you're really afraid, then let's not go see mom first. We'll talk about it later.

"You just woke up? Have you eaten?"

Su Wanwan shook her head.

"Then let's go eat first."

PEI Munian took su Wanwan's hand and led her out of the baby's room. Then, they went downstairs and walked into the dining room.

Aunt Wu brought the food that had been kept warm to the table and filled a bowl of rice for su Wanwan, but su Wanwan didn't do anything for a long time. PEI Munian saw this and raised her eyebrows slightly, teasing, "What's wrong? You want me to feed you?"

"It's not Yingluo."

Su Wanwan looked at PEI Munian and opened her mouth, but stopped.

She had clearly thought it through. She wanted to tell PEI Munian about Xiao Zeze before her lie got bigger and out of control. However, those words were stuck in her throat and she couldn't squeeze them out.

PEI Munian finally noticed that something was wrong with su Wanwan. He reached out and pulled her chair over, making su Wanwan face him. He said softly, "Wanwan, do you have something to say to me? Oh, I almost forgot, you do have something to tell me. What is it, can you tell me now?"

PEI Munian was so sharp that su Wanwan's heart was even more flustered.

Perhaps it wasn't a bad thing to be honest, but she could already predict the ending. It wouldn't be a happy ending.

Su Wanwan's Red lips pursed tightly and her hands clenched into fists. Her eyebrows unconsciously furrowed. She took a deep breath and slowly opened her mouth. With difficulty, she spat out word by word from her throat, "niannian, there's something that's actually a little embarrassing.

"What?" PEI Munian's dark eyes were fixed on her. Her current appearance made him curious as to what important thing she wanted to say.
