747 So he loved her a lot (1)

PEI Munian didn't know why, but she always felt that su Wanwan's smiling face hid an undetectable sadness. Was it his illusion?

PEI Munian's eyes narrowed, with a little inquiry.

Su Wanwan's breathing stagnated slightly, as if she was afraid of being seen through. She suddenly rushed into his arms, hugged him tightly, and buried her face in his chest.

PEI Munian's body leaned back from the force of her collision. After she steadied herself, she lowered her head and looked at the little head in front of her. She did not know whether to be angry or laugh. what's wrong now? "

"There's no Zhenzhen."

With just one word, her voice turned hoarse. She swallowed hard and tried to keep her voice calm. I just suddenly wanted to hug you.

PEI Munian seemed to hear that there was something wrong with her voice. She held her shoulder as if she wanted to push her away to take a look, but su Wanwan hugged her even tighter. don't move, let me hug you for a while. Just a while.

PEI Munian could only stand still.

Su Wanwan tried her best to take a deep breath. After a moment, she suppressed her desire to cry and sniffed hard. She curved her lips and squeezed out a smile before leaving PEI Munian's arms.

The meteor shower also happened to stop and the night sky returned to its calm state. Su Wanwan said with pity, " "It's gone just like that, so fast."

No matter how beautiful a shooting star was, it would disappear in an instant. It was as if between her and PEI Munian, no matter how loving they looked on the surface, it would only disappear in an instant.

After the two of them took a shower and lay on the bed, su Wanwan glanced at the clock on the wall. There was only one minute left. It would be twelve o'clock and the day would be over.

Her happiness was only left with a minute!

Su Wanwan looked sideways at the man next to her. She leaned over and burrowed into his arms.

PEI Munian lazily lifted her eyelids and looked at her.

Su Wanwan raised her head and bit her lower lip. Then, she lifted the nightgown on her body with one hand, revealing her white collarbone and blinked charmingly. niannian, there's only one minute left today. Now it's our wedding night. Are you really not going to do anything? "

".....?" He didn't want her to use her courage in this aspect.

PEI Munian's lips curled up into a smile. His large palm slowly held her slender waist and with a force, he flipped her over on the bed, his tall body pressing down on her.

Su Wanwan's eyes suddenly lit up. There's a chance?

PEI Munian supported her cheek with one hand and hooked her chin with the other, pressing her thin lips against hers.

Su Wanwan closed her eyes without hesitation.

She didn't mind reminiscing with PEI Munian for the last time.

PEI Munian looked at her like this and a faint smile appeared in her eyes. However, his lips didn't fall but turned to Su Wanwan's ear and said word by word, "I want to do something, and that is to have a good sleep, Yueyue.

".....?"

PEI Munian turned over and lay down at the side. She said gently, "Good night, Wanwan."

Su Wanwan opened her eyes and glared at the man next to her. She replied impolitely, "Wan, your grandpa!"

Even at the last minute, she felt so stifled. That bastard PEI Munian!

Su Wanwan turned over angrily with her back facing PEI Munian. Then, she pulled the blanket over and rolled herself into a ball.

After she left, she was going to forget about this bastard! Hmph!
