749 So he loved her a lot (3)

She didn't write much, only explaining Xiao Zeze's background and that she didn't mean to lie to him. She didn't expect that in the end, her face was still wet with tears.

Love wasn't something that could be obtained through underhanded means. She had used Xiao Zeze. Even if she stayed by his side, she wouldn't be able to get his love. Instead, when the truth was revealed, he would hate her completely.

However, she did not regret it.

After all, she had tried hard and fought for it. She was not guilty of her love, but she could not force PEI Munian to love her.

Tears slipped down and dripped on the letter, making a corner of it wet. Su Wan covered her face with both hands and cried for a while before slowly stopping.

She took a deep breath, folded the letter, and put it in a small envelope. Then she got up and went to the changing room. She took out her suitcase, opened it, and put her clothes in one by one.

When she was putting the clothes away, the tears that she had stopped could not help but roll down again.

Every time, she tried very hard to treat this place as her real home, but she always had to leave after staying here for a while. This place never became her home.

Su Wanwan sobbed while packing her luggage. Suddenly, someone knocked on the door.

Su Wanwan was stunned.

Who was it?

She quickly wiped her tears and walked out of the dressing room. She took a tissue from the table and wiped the corners of her eyes. She coughed lightly and suppressed her choking voice. who is it? "

"Young Madam, it's me."

Auntie Wu?

"Come in!"

Aunt Wu pushed the door open and walked in. She said to su Wanwan, " young master called just now. He said that he had missed an urgent document and that we have to send it to him now.

Urgent documents?

su wanwan looked around and saw a document on the sofa. she walked over and picked it up. " it should be this one. "

Su Wanwan handed the document to aunt Wu, but aunt Wu didn't take it. She hesitated for a few seconds and said, " young Madam, can I trouble you to send this document over? " Old Wu fell down when he was working just now. I'm worried that he can't drive now."

"Uncle Wu, you fell and injured yourself?"

"It shouldn't be too serious. He just needs to rest for a while."

it's fine. I'll send him off. Let uncle Wu rest.

"Thank you, young Madam."

Su Wanwan quickly put on light makeup, then changed her clothes and put the documents into her bag. She took her bag and was about to walk out of the room when her eyes inadvertently swept over the dressing table and saw the letter she had written.

She stopped in her tracks, then walked over and put the letter into her bag.

When su Wanwan arrived at PEI Munian's office, PEI Munian and assistant Wu were not there. PEI Munian's other Secretary was there to receive her. She simply explained, " boss PEI and assistant Wu are having a meeting with an important guest. Miss su, you can hand the documents to me or wait for boss PEI here.

yes, I'll wait here alone. You can go and do your work.

"Alright, if you need anything, just call me."

After the Secretary left the office, she even thoughtfully closed the door. Su Wanwan walked to the desk and put down the documents. Then, she took out the letter she wrote and solemnly placed it on top.

However, in the next second, she felt that it would be too conspicuous if she just placed it on the table. PEI Munian would see it the moment she came back. Although she had also decided to leave, she didn't want PEI Munian to hate her so quickly, Yingluo.

Should I? In a file? Even so, he would still see it very quickly.

How about putting it in the drawer?
