Su Wanwan took the envelope and went around to the office. She sat on the chair and opened the first drawer of the desk. She was about to put the envelope in when her hand paused again. The first drawer seemed a little too easy to find.

Su Wanwan thought about it and closed the first drawer. Then, she moved her hand a little and opened the second drawer.

Su Wanwan reached out and put the envelope in. She also slightly adjusted the position of the drawer. When she was about to close the drawer, she accidentally slipped a white document at the bottom of the drawer.

Su Wanwan's eyes narrowed. Why does this document look a little familiar?

She subconsciously reached out to take the document. As she lifted the top layer and saw the first two words on the document, her eyes widened and her black pupils suddenly contracted.

This is a Kasaya?

"Young master PEI!"

The office door was suddenly pushed open and a lazy voice came over. Su Wanwan was shocked and subconsciously pulled the drawer back, standing up suddenly.

A tall man walked in and looked up. He paused in his steps and a trace of surprise flashed through his eyes. Yingluo, why are you here? "

Su Wanwan also didn't expect to bump into Lu Sheng here. She was also stunned for a moment before she said, "I'm Hanhan, I'll give it to her. I'm here to give niannian some documents."

"Why don't you just put the documents on the table? but I saw you rummaging through young master PEI's drawer just now. Su Wanwan, what do you want to do?"

Lu Sheng was not very friendly to su Wanwan. His eyes were sharp and shot straight at her.

".....?"

Although she had not done anything bad, she could not help but feel a little guilty after hearing Lu Sheng's words. no, I saw that niannian's drawer was a little messy, so I just ... I just tidied it up.

Su Wanwan and Lu Sheng hadn't seen each other for a long time. Their relationship in University was neither good nor bad. She didn't expect that his attitude towards her would be so bad when they met now.

She had never offended him, had she?

su wanwan secretly took a breath to calm herself down. she slowly raised a smile and greeted lu sheng again, " lu sheng, long time no see. i heard from niannian that you've returned to china, but i haven't had the chance to say hello. "

"Forget it. I don't dare to casually greet you, miss su." Lu Sheng's lips twitched, but there was no smile in his eyes.

Su Wanwan's eyebrows couldn't help but tighten.

Now, she was sure that Lu Sheng had something against her, although she did not know why.

"Since young master PEI isn't here, I'll come back later."

Lu Sheng didn't have the desire to talk to her anymore. He casually bowed and turned to leave. However, after taking a step, he turned back again and glanced at her coldly. His voice was also icy cold. su Wan, I'm warning you. If you still want to play tricks this time, give up early. Otherwise, young master PEI will let you off. I won't let you live so comfortably!

Lu Sheng left without hesitation.

Su Wanwan was stunned in place. She didn't understand a single word of Lu Sheng's words. What the hell was he talking about? What tricks? Did he misunderstand something?

Or did PEI Munian say something to him?

A ray of light flashed quickly in the bottom of her eyes. Su Wanwan subconsciously raised her feet and ran towards the door, chasing after Lu Sheng.

"Lu Sheng, wait! W-what do you mean by that?! You better explain yourself!"
