

Deeply 751

751 So, he loves her a lot (5)

Lu Sheng's limbs were long and he walked very fast. Su Wanwan had to catch up with him with great effort before she could stop him at the electric ladder. She ran in front of him and blocked his way. Her dark eyes were fixed on him, and she said word by word, " Lu Sheng, do you have some misunderstanding about me? "

Lu Sheng glanced at su Wanwan and curled his lips as if he had heard a joke. miss su, how could I have misunderstood you? Your eldest miss SU's style of doing things is the same as it has been for ten years!"

This sentence was full of sarcasm. Su Wanwan closed her eyes, took a deep breath, and looked at him again. okay, I admit that the things I did before were a little embarrassing.

Regarding the incident in University, she had indeed done something to hurt PEI Munian. As for senior XI's incident, it was more or less because of her. So, Lu Sheng had a bad impression of her and she had nothing to say.

But he didn't seem to hate her because of what happened in the past.

"Ahem, I want to ask, what did you mean when you said that I was still playing tricks this time? Can you be more specific?"

Lu Sheng didn't expect that su Wan would actually ask him what he meant with an innocent face. This nonchalant appearance really didn't show the psychological quality that ordinary people could have.

That night, he couldn't help but feel heartache when he heard what PEI Munian had said to him. He clearly loved her deeply, but he had to pretend not to love her. While he loved her, he had to be on guard against her possible schemes.

This kind of love, even he, as a bystander, felt tired and panicked. He couldn't understand. Since it was so hard, why did he continue to love? if he really couldn't let it go, then why didn't he try to believe that su Wanwan might be sincere this time?

However, PEI Munian remained silent for a long time. When he thought that he did not know how to answer, he smiled bitterly and said, " do you know? The child that su Wanwan brought back is not my child."

Lu Sheng suddenly understood everything.

The child that su Wanwan brought back wasn't his, but she was able to bring the child to his door and say that she didn't want to divorce him. She said that she wanted to start over with him because she loved him.

Who would dare to believe her sincerity?

Who knew what she was planning behind the scenes?

She's just relying on the fact that he loves her, Yingluo.

Lu Sheng recalled the expression on his brother's face that night. The pain he felt under his calm demeanor was more unbearable than when he was hysterical.

Lu Sheng couldn't help but sneer, her eyes as cold as ice. su Wanwan, what do you mean? You know best what I mean. You'd better know when to stop. Don't think that you can casually play with others again and again!"

Su Wanwan felt that she was really going crazy. Why couldn't she understand a single word that Lu Sheng was clearly speaking in Mandarin?

"Lu Sheng, what do I know? How am I toying with other people's feelings? Can't you say something I can understand?"

you can continue to pretend that you don't understand. That's all I have to say!

Lu Sheng walked past her and pressed the elevator door.

As soon as the elevator door opened, he was about to walk in when an arm reached out in front of him and stopped him again.

Su Wanwan took a deep breath, bit her lower lip with her pearly white teeth, and spoke again, "okay, I'll make it simple. When you said that I'm playing with Yingluo, do you mean that I'm playing with Yingluo niannian?"

Lu Sheng's Black eyes glanced at her.
