Chapter 76 Why did you help her (8)

PEI Munian was about to hang up the phone when she heard aunt Wu's words. His hand froze and his brows furrowed. what happened? "

Auntie Wu briefly explained the situation, and then she heard the sound of chairs sliding, the sound of clothes being put on, and then the sound of hurried footsteps.

Assistant Wu pushed the door open and walked in. When she saw PEI Munian, she said respectfully, "boss PEI, all the directors are already in the meeting room. Should we start organizing the meeting now?"

But before he could finish his sentence, he felt a gust of wind blow past him, and then there was no one in the office.

He was stunned for a few seconds before he suddenly reacted and hurriedly turned to chase after him. boss PEI, where are you going? This meeting is very important, you can't be absent!"

PEI Munian did not seem to hear her. She strode into the elevator and pressed the close button without hesitation.

When assistant Wu rushed over, the elevator door had already closed. He hit the wall gloomily. What had happened to the big BOSS? How could he not attend such an important meeting?

—

When PEI Munian returned to the villa, su Wanwan had already fallen asleep because she was too tired from running around the whole day.

PEI Munian walked to the side of the bed and looked at su Wan, who was curled up and sleeping quietly. He stared at her face and stared for a while. Then, his gaze moved down and fell on her calf.

Her right leg was wrapped in gauze and almost took up a third of it. His eyes sank slightly. How did su Wanwan scald herself like this?

PEI Munian unconsciously squatted down, wanting to see the wound on su Wanwan's foot. When he got closer, he realized that not only her calf was injured, but her heels were also worn out and bleeding.

PEI Munian's eyes darkened.

He knew that su Wanwan had already returned to SU group to work, but with su Wanwan's level, she only needed to sit in the office. And this heel, it's obvious that it can only be worn like this by walking. What exactly did she do today?

As PEI Munian was thinking, her eyes inadvertently saw the documents on the bedside table. These documents did not belong to him. He reached out, randomly picked one, and flipped it open.

This was a spokesperson contract, and the chosen spokesperson was Xi Zhiwei.

So, she was trying to get Xi Zhiwei to be the spokesperson today, so she ran around and got hurt. Or did she want Xi Zhiwei to make things difficult for her?

PEI Munian's hand that was holding the document suddenly tightened, and a layer of coldness appeared on her body unconsciously. He took out his phone and quickly made a call.

As soon as the phone was connected, he directly said, "I want you to investigate everything that Su Wanwan did today.

"Understood!"

—

Su Wanwan was sleeping in a daze. She felt someone sitting on the edge of the bed and then felt her foot being gently lifted. The next second, a cool feeling covered her heel and the pain immediately dissipated a lot.

Was someone helping her apply medicine? Who was helping her?

Su Wanwan wanted to open her eyes to take a look, but her eyelids seemed to be pressed by something and she couldn't open them.

Su Wanwan tried hard for a while, but she could only open a small gap. That person had already applied medicine, stood up, and walked towards the door. She could only vaguely see a tall back.
