761 Force out his true heart (1)

Lu Sheng took a deep breath and closed his eyes. After a few seconds of silence, he sat down again and opened his eyes to look at su Wanwan. When he saw her red eyes, his voice sank a little.

“Su Wanwan, I’m begging you this time. It’s enough that you’ve played with him once or twice. Don’t provoke him again. Just let him go.”

Su Wanwan covered her face with both hands and couldn’t help but cry out.

In those three years, that year, that four years, she had suffered in pain, haunted by nightmares every day and night. When she was in extreme pain, she had also resented PEI Munian for treating her like that.

The harsh words she said to him back then were just to cover up her hurt heart. She did not want him to see how lowly and laughable she was. Little did she know that those few words had given PEI Munian fatal pain.

Both of them were idiots, self-righteous idiots. They clearly liked each other and loved each other, but they never dared to believe that the other party loved them. Even if they said a thousand or ten thousand times that they loved each other, they couldn’t help but think if he was telling the truth. Did he have any ulterior motives? Was he planning something?

They had once trusted each other wholeheartedly, but it was they themselves who had shattered the trust between them.

Lu Sheng, whether you believe it or not, I’ve never thought of playing with PEI Munian, whether it was in the past or now. Su Wanwan’s voice was hoarse and she spat out her words seriously word by word.

Lu Sheng wanted to mock her, but when he saw the tears on her face, he opened his mouth but couldn’t say anything.

Su Wanwan wiped the corner of her eyes with her hand and sniffed hard. After her mood eased a little, she said softly, “Lu Sheng, thank you. Thank you for telling me these things. I know what I should do.

Su Wanwan got up and was about to leave.

Lu Sheng’s brows suddenly furrowed again. He reached out his hand and grabbed su Wanwan’s wrist with force, saying sternly, “What do you want to do? If you still want to rely on mu Nian ‘AI to do whatever you want, Qianqian,”

“I won’t!”

Su Wanwan interrupted him and looked at him with her red and swollen eyes. Her eyes were calm and firm. although you don’t want to believe it, I’m also sincere to niannian, really.

Lu Sheng did not know if he was shocked by her gaze or her tone, but he subconsciously let go of her wrist.

Su Wanwan nodded at him and said, " Lu Sheng, I'll be leaving first. I'll thank you properly next time if I have the chance.

After su Wanwan left the cafe, she stood on the side of the road for a while and then stopped a taxi.

Aunt Wu came out of the kitchen and happened to see su Wanwan walking in from outside and changing her shoes at the entrance. She went up to her and was about to ask if the document had been sent to the young master. She didn't expect to see su Wanwan's eyes and nose red. It was obvious that she had cried.

Auntie Wu looked at her in surprise. young Madam, what's wrong with you? " Why are you crying?"

He was just delivering some documents. Did he get into a fight with young master again? However, they were clearly lovey-dovey when they left in the morning.

"I'm fine." Su Wanwan faintly responded. After changing her shoes, she walked towards the second floor.

Back in the bedroom, su Wanwan went straight into the changing room and continued to pack her luggage that she had originally packed halfway.

Aunt Wu followed her worriedly. When she saw su Wanwan packing her things, she was so scared that her heart almost skipped a beat. She took a few steps forward and said in shock, " "Young Madam, what are you doing?"
