763 Force out his true heart (3)

When su Wanwan walked down the stairs, PEI Munian was changing her shoes at the entrance. The wall lamp shone down on his handsome face, bringing with it an illusory beauty.

Su Wanwan's footsteps stopped unconsciously and she looked at him with her black eyes.

This man, the man she loved. It had been so many years, but he was still as handsome and charming as ever. He had hooked her heart as always, and he loved her deeply.

Su Wanwan's lips curved. There was a trace of throbbing, but she also felt sad.

They had missed each other for so many years, and they hoped that they would not miss each other again. What about the four years of life? If they hadn't missed the four years, perhaps their children would have been able to live a carefree life by now. Their first child wouldn't have left just like that.

Su Wanwan walked over, raised a smile, and softly said, "niannian, you're back."

PEI Munian didn't answer. Instead, she changed her shoes and took a step into the house. Then, she raised her head and looked at su Wanwan with her black eyes. However, she wasn't as gentle and doting as usual. Instead, there was a bone-chilling coldness.

Su Wanwan was shocked by the coldness in his eyes.

PEI Munian's words were direct. you took the divorce agreement, right? "

Su Wanwan subconsciously swallowed her saliva. She had forgotten about this and didn't expect PEI Munian to find out that the divorce agreement was missing so quickly.

"Niannian, it's Yueyue."

"I was still wondering what you wanted to do by staying in my office for no reason, full of flowery words. I didn't expect su Wanwan to be able to steal things so smoothly now."

PEI Munian's lips curled up, but there was no trace of a smile. do you think that we can't get a divorce if you take the divorce agreement? Su Wanwan, when did you become so naive? I'm telling you, that divorce agreement is meaningless."

Su Wanwan lowered her eyes and sighed softly in her heart.

She had originally wanted to have a good meal with PEI Munian, but it seemed that there was no way to do so now. That was good too. She could be more direct and he would suffer less.

Su Wanwan took a deep breath, looked up at him, and said word by word, " I didn't mean to steal the divorce agreement. I found it by accident today. I just took it out to have a look.

The mockery in PEI Munian's eyes deepened. since you're only taking it out for a look, shouldn't you return it to its owner now? "

PEI Munian reached out her hand. hand it over.

Su Wanwan stood still and the hands hanging by her sides slowly clenched. niannian, we agreed to start over. This divorce agreement should have been destroyed, right? ”

Destroyed?

Did she finally reveal her motive?

su Wanwan, if I didn't remember wrongly, the original words at that time were, 'try to start again.' It's just a try. You haven't even passed the probation period. Are you in such a hurry? ”

In the past, she felt very sad when she heard his cold words and mockery. Now, she only felt endless sadness.

Su Wanwan closed her eyes, bit her lower lip, and said softly, ” niannian, I'll return the divorce agreement to you. I won't force you to accept me.

After saying that, su Wanwan turned around and quickly ran up to the second floor. After a while, she ran downstairs and ran to PEI Munian, handing the divorce agreement in her hand to her.

PEI Munian looked at the divorce agreement in front of her and the expression in her eyes froze slightly. He didn't expect that su Wan would return the agreement to him so easily.
