PEI Munian didn't take it for a moment. Su Wanwan directly pulled his hand and placed the divorce agreement in his hand. She took two steps back and opened her mouth. now you can finally believe me, right? "

PEI Munian's hands clenched subconsciously. Her eyes narrowed slightly, but she did not say anything.

Su Wanwan pursed her red lips, swallowed her saliva, and continued, " niannian, there's something I need to confess to you.

PEI Munian looked up. Her eyes were deep and dark, and not a trace of emotion could be seen.

"Ahem."

Su Wan cleared her throat, took two deep breaths, and slowly said word by word: "Niannian, I'm sorry, I lied to you! Little Zeze and Yingluo are not our children, and I didn't give birth to them. He's my younger brother."

PEI Munian's eyes flickered, but it disappeared in a flash. The expression on her handsome face darkened bit by bit.

niannian, I can't say that I didn't do it on purpose, but I didn't do it on purpose to hurt you or to get any benefits from you. I simply wanted to stay by your side and fight for your feelings.

I really had no choice when it came to Xiao Zeze, so I did that. All this time, except for Xiao Zeze's matter, everything I did came from my heart. Niannian, I never lied to you on purpose.

PEI Munian quietly listened to su Wanwan's words. The light at the bottom of her eyes grew darker and darker, but the corners of her lips raised into an arc, full of sarcasm. so? "

"What do you want me to do? Thank you for being so honest, so you really love me. Should I make a grateful expression and then say,"Ah, so I misunderstood you?""

Su Wanwan wasn't surprised by PEI Munian's answer. It was just that when she really saw PEI Munian's distrust, her heart still felt as if it had been stabbed by a sharp thing.

Su Wanwan smiled bitterly. that's true. In your eyes, I'm probably a Shepherd child. It's useless to say anything, right? " But Yingluo."

Su Wanwan's hands clenched tightly and she mustered up the courage to plead, " niannian, can't you try to believe me again? Since we've decided to start over, are we really going to live like this for the rest of our lives?"

Su Wanwan took a step forward, her hand slowly reaching out to PEI Munian and holding his arm. niannian, give me one more chance, one last time.

Before she could finish her words, PEI Munian had already flung her hand away mercilessly.

His strength was a little strong. Su Wanwan was thrown back two steps and her body swayed a few times before she stood firm.

Su Wanwan lowered her eyes and looked at her hand that was flung away. The light in her eyes gradually dimmed.

Although she did not expect PEI Munian to believe her with just a few words, she would still feel sad if she cared about her.

"Alright," he said.

Su Wanwan took a deep breath and raised her eyes again. The bottom of her eyes had returned to calmness. niannian, I promised myself that I would try my best to fight for your feelings. If I got it, it's my luck. If I didn't get it, then I've already tried my best. I won't regret it.

"Previously, it was because of Xiao Zeze that I was able to stay here and shamelessly cling to you. But Yingluo, Xiao Zeze and I don't have the right to stay here anymore, right? You don't have to throw me out this time, I know my own limits. I've already packed my luggage, so I'll leave with little Zeze now."
