775 Force out his true heart (15)

Xi Zhiwei waited outside for PEI Munian for nearly an hour before she came out of the office. She immediately stood up and walked towards him. brother Munian.

PEI Munian's dark eyes swept across her, her handsome face expressionless. Weiwei, I have a dinner appointment later, Hanhan.

Xi Zhiwei did not wait for him to finish his sentence and quickly interrupted him, " brother mu Nian, I won't take up too much of your time. Five minutes will do.

PEI Munian furrowed her brows, not hiding the impatience in her eyes.

"It's something related to sister Wanwan!"

PEI Munian's eyes narrowed and her gaze finally fell on Xi Zhiwei's face. Her voice was a little low as she asked, " what is it? "

Even if he was only interested in su Wanwan's Affairs, but when he saw those photos, he would know what kind of woman su Wanwan was and wouldn't be infatuated with her anymore, right?

Xi Zhiwei proudly raised the corner of her lips and continued, I saw sister Wanwan at the airport today. She was here to pick up a man.

PEI Munian seemed to think that her words were a little funny and the corners of her lips twitched. did you come here just to talk to me about these boring things? "

I also thought that sister Wanwan was just going to pick up an ordinary friend, but I saw them hugging! Xi Zhiwei hurriedly added. She took out her phone, opened the photo, and handed it to PEI Munian.

brother mu Nian, they're so close. They're definitely not ordinary friends. Look, sister Wanwan even brought him back to the SU residence to pay respects to her grandfather.

When she came out of the airport, she followed su Wanwan all the way. When she saw su Wanwan bringing that man back to the SU residence, she almost couldn't hold back her excitement.

However, she had suffered too many losses and did not dare to complain to PEI Munian casually. Hence, she followed them all the way and finally heard the most shocking news.

"Also, I heard them saying that they're getting married! So, their relationship was not just a day or two! "Brother mu Nian, I think sister Wanwan was with this man during the year she disappeared. Sister Wanwan's child really isn't yours. It might be this man's. Brother mu Nian, the DNA report I did wasn't fake!"

The more Xi Zhiwei spoke, the more agitated she became. Her body subconsciously leaned towards PEI Munian, her fingers sliding on the phone screen. brother Munian, look, the photo is clearly taken. I really don't want you to be deceived by su Wanwan again. She's not sincere to you!

One by one, the photos slid past PEI Munian's eyes. PEI Munian's eyes darkened bit by bit. Su Wanwan smiled and looked at the man. Her eyes seemed to flash with light. She held the man's arm intimately and the man rubbed her head affectionately. Every scene was so beautiful and beautiful.

This woman, yesterday she was still so sure that she loved him, but today she was wavering.

A ball of fire quickly burned in PEI Munian's eyes. She clenched her fist and the next second, her phone was smashed to the ground by him.

With a loud "bang", Xi Zhiwei's heart couldn't help but tremble. However, when she saw the haze on PEI Munian's handsome face, she couldn't help but smile. brother Munian, don't be angry. A woman like su Wanwan isn't worth your time.

"Get lost," he said.

"Brother mu Nian?"

"Didn't I tell you not to touch su Wanwan?" As PEI Munian spoke, her words fell into Xi Zhiwei's ears and exploded like a bomb.
