

Deeply 780

780 Is it really fine?(2)

Fiance ran ran

Lu Sheng's eyebrows raised slightly, and a trace of surprise flashed in the bottom of his eyes. He was not surprised by the word "fiancé," but surprised that he dared to directly call himself su Wan's fiancé in public.

Who doesn't know that su Wanwan and PEI Munian are husband and wife now? her courage is commendable.

Lu Sheng subconsciously looked at su Wanwan.

Su Wanwan also didn't expect Shen Ziwei to say something like fiancé. Her eyes widened slightly and her gaze immediately swept over to PEI Munian.

Shen Ziwei's voice wasn't loud, but it wasn't soft either, so he should be able to hear her. However, Qianqian was still leaning on the side indifferently, as if what was happening here had nothing to do with him.

Su Wanwan's hands, which were hanging on both sides of her body, clenched tightly. She raised her hands and held Shen Ziwei's arm. She nodded. yes, brother Ziwei is my fiancé.

brother Ziwei, this is Lu Sheng, " she said to Shen Ziwei. he's my senior in University.

The introduction of his senior in University, Wanwan, was quite harsh. Lu Sheng glanced at PEI Munian, intentionally or otherwise. Although he did not make any moves, as a good friend of many years, how could he not see the chill that was running down his spine?

PEI Munian was probably going to throw su Wanwan and Shen Ziwei into the sea.

However, this su Wanwan was indeed a bit interesting. That day, when she learned from him that PEI Munian had always loved her deeply, she didn't continue to take advantage of PEI Munian's love for her to ask for anything. Instead, she came home that night and confessed everything to him. Without a word, she packed her luggage and left.

Of course, she might have retreated in order to advance, but it was a huge gamble after all. There was a high chance that she would lose the bet. If she really had ulterior motives, she would have been overcautious and would not have been able to be so carefree.

Perhaps not everything she had said that day could not be trusted?

It was just that she suddenly had a fiancé. He had an elegant temperament and was handsome and tall. He didn't look like someone su Wanwan randomly picked. Lu Sheng pondered for a while, smiled, and politely extended his hand. Hello, Mr. Shen.

Shen Ziwei reached out to shake Lu Sheng's hand. Hello, Mr. Lu.

The two of them withdrew their hands. Lu Sheng said, " I'm here to entertain my friends today. Mr. Shen, miss su, don't be shy. Let's have fun together. We have a cocktail party tonight. If you have time, you can stay and join us.

Entertaining friends? Lu Sheng's trap?

What a good excuse. This way, if she wanted to ask PEI Munian if she was chasing after her, PEI Munian would be able to block her.

Alright, pretending to be calm, pretending not to care?

sure, if we have time, we'll definitely stay and attend the party tonight.

Su Wanwan responded, then smiled at Shen Ziwei. brother Ziwei, let me introduce you to everyone. You're back in the country, so you'll have to walk around in this circle in the future.

"Yes."

Shen Ziwei nodded at Lu Sheng and then let su Wanwan lead him away.

After su Wanwan briefly introduced a few people to Shen Ziwei, she held his arm and walked straight to PEI Munian.

Walking to PEI Munian's side, su Wanwan raised her smile, looked at PEI Munian, and said word by word, " brother Ziwei, let me introduce you. This is Huahua's future ex-husband, Mr. PEI Munian.

Lu Sheng, who was not far away, heard su Wanwan's words and immediately spat out the mouthful of wine he had just drunk.
