781 Is it really fine?(3)

Su Wanwan acted as if she didn't want to explode. She rested her head on Shen Ziwei's shoulder and said affectionately, " PEI Munian, this is Shen Ziwei, my fiancé. Ah, ran ran, you don't mind me saying this, right? In any case, all that's left between us is a fair divorce."

Shen Ziwei glanced at su Wanwan from the corner of his eyes, his eyes filled with helplessness and pampering.

However, the man in front of her was indeed worth fighting for.

He was just casually leaning there, but the aura he exuded was enough to make people look sideways. When a man looked at a man, he never looked at his appearance, but his temperament and aura.

When she was in University, she often heard su Wan talk about this man. He once came to the SU residence to visit the sick su Wanwan, but he wasn't at home at that time, so he didn't see him. Wanwan's sister did see him and used two words to describe it: Stunning!

As expected of a man that even su Wanwan's sister felt was not bad.

Shen Ziwei extended his hand to PEI Munian. Mr. PEI, how are you? "

PEI Munian slowly turned around. Her black eyes swept past su Wanwan and landed on Shen Ziwei's face. Her eyes were indifferent, as if there were no waves in them because of su Wanwan's words.

He curled his lips and extended his hand to shake Shen Ziwei's.

Shen Ziwei's expression changed slightly when he felt the bones in his hand almost being crushed by PEI Munian's strength the moment they clasped hands.

PEI Munian's face was still calm, and her voice was extremely indifferent. Mr. Shen, it's a pleasure to meet you.

Happy?

Su Wanwan's eyes were always on PEI munianjun's face, trying to find out if he minded or was angry, but she couldn't see anything. He actually said he was happy to see brother Ziwei?

After PEI Munian let go of Shen Ziwei's hand, she didn't even look at su Wanwan and walked away.

Su Wanwan looked at his back and gritted her teeth angrily. Why was it that every time she wanted to provoke him, she was the one who got angry in the end? didn't he say that he loved her very much? She shouldn't be throwing punches at brother Ziwei at this moment.

She blurted out her thoughts without realizing it. Shen Ziwei didn't know if he should be angry or laugh. Wanwan, although I'm willing to be used by you, isn't it a little too much to make me take a punch? "

brother Ziwei, don't worry. If PEI Munian were to throw a punch at you, I'd help you block it. However, he's so calm that I'm a little sad. Su Wanwan replied gloomily, " when he admitted to elder Lin that Xi Zhiwei was his wife, I was so angry that I almost went crazy. Why didn't he have any reaction at all? "

“Who said he’s not responding?”

Shen Ziwei raised the hand that was holding PEI Munian’s hand and presented it to su Wanwan. The white hand was now red with blood and there were faint traces of being held forcefully. thanks to you, my hand was almost crippled.

“Really?”

Su Wanwan’s eyes brightened. She couldn’t help but grab Shen Ziwei’s hand and looked left and right. PEI Munian was so calm just now, but she really didn’t expect him to be so ruthless.

Wanwan, I’m a little sad that you’re so happy. For the sake of my life, I’m seriously considering whether I should continue to stay on this ship.

“Ah, don’t be sad, don’t be sad. I’ll help you blow.” Su Wanwan lightly blew on Shen Ziwei’s hand a few times and smiled with her eyes narrowed, ” “Brother Ziwei, perseverance is victory!”

“You can’t be so disloyal and leave me alone right now.”
