As soon as she finished speaking, su Wanwan felt PEI Munian's gaze land on her face. That gaze was like a thin needle, ruthlessly stabbing at her.

Su Wanwan's Red lips were tightly pursed and she couldn't help but hold her breath.

Let's get angry, PEI Munian. Even if it was a sarcastic remark, at least she could see that he cared about her and it would strengthen her heart to fight for him.

However, one second, two seconds, and three seconds passed.

PEI Munian's lips slowly curved up, and a faint smile appeared on her handsome face. The cold look in her eyes disappeared in a flash and was replaced by a distant and indifferent gaze. sure.

".....?"

Someone came over to chat with PEI Munian. He politely said " excuse me " and walked past su Wanwan with a glass of wine.

Su Wanwan froze in place, her thick and curled eyelashes trembled, and her pearly white teeth slowly bit her lower lip.

When the party started, Lu Sheng opened a bottle of champagne and poured it into the stacked glasses. When he was full, he picked up the glass at the top and said to everyone, " "Friends, let's have fun tonight."

Everyone cheered in agreement.

The music started playing and the man started to invite the woman to dance. Su Wanwan, however, went straight to Lu Sheng and made an inviting gesture. Mr. Lu, do I have the honor to invite you to dance? "

Lu Sheng raised his eyebrows slightly. He didn't expect su Wanwan to invite him instead of PEI Munian. He smiled back. of course, a gentleman wouldn't refuse a lady's request.

"However, I think it's better for me to invite them to this dance."

Lu Sheng put down the glass in his hand and made a standard dance pose. Mayi? "

"Yes." Su Wanwan raised her hand and placed it on Lu Sheng's palm. He led her to the dance floor, his other hand wrapped around her waist and danced with her.

Lu Sheng brought su Wanwan around in a circle. Seeing that she didn't speak, he couldn't help but speak first, " one doesn't come to the temple for no reason. Tell me, what do you want? "

Su Wanwan was waiting for Lu Sheng to say this. senior brother Lu, do me a favor.

"I won't betray my brother."

"Yingluo, who asked you to betray your brother? It's just a small favor."

“Tell me?”

Su Wan cleared her throat, slightly tiptoed, and whispered a few words in Lu Sheng’s ear.

Lu Sheng seemed to be shocked by her words and his footsteps staggered a few times. su Wan, do you think I will help you do this kind of thing? Haven’t you angered Munian enough today?”

“Senior brother Lu, please help me this once. You don’t want to see us continue to be entangled like this, do you? There has to be an excuse. Either we end it completely, or we can start over.” Su Wanwan’s eyes revealed a pleading look. senior brother Lu, please, please.

She kept calling him senior brother Lu, and her voice was soft and gentle. It was really impossible to refuse.

Lu Sheng helplessly looked at su Wanwan for a few seconds and compromised. this is the only time. Don’t go too far.

“OK?”

After the dance, su Wanwan left the dance floor and returned to Shen Ziwei’s side. She smiled and whispered in his ear, “ brother Ziwei, Lu Sheng has agreed to help me. Are you ready? ”

“Yes.”

Lu Sheng walked up to the stage and stood in front of the microphone. ah! everyone, look over here. In order to reach the climax of the ball, let’s play a little game.

Everyone’s eyes turned to Lu Sheng, who was on the stage.

After a pause, Lu Sheng continued, “ it’s a kissing game!
