PEI Munian couldn't help but stop in his tracks. He turned his head slightly and saw su Wanwan on the ground. His eyes turned cold and he walked back in two or three steps. He squatted beside her and helped her up. su Wanwan, what's wrong with you? "

Su Wanwan leaned into his arms and said weakly, " "I haven't eaten anything all day. My stomach feels terrible."

".....?"

"It's all because of you. I came to find you without lunch, and you made me wait for so long again, Yingluo. My stomach hurts! I don't care, you have to at least have a meal with me. If not, I'll die from the pain, and it'll be your responsibility!"

PEI Munian silently carried su Wanwan up and placed her on the sofa. He turned around and went out. About two minutes later, he came back with a cup of hot milk and handed it to her.

Su Wanwan didn't take it and looked at him warily. PEI Munian, don't tell me you're going to send me off with a glass of milk? "

PEI Munian forcefully stuffed the milk into her hands and glanced at her coldly. She seemed to be impatient as she said, " "Aren't we going to eat? Drink some milk to fill your stomach first, in case you can't make it to the restaurant later."

"Ah?"

PEI Munian ignored her and walked out of the lounge.

Su Wanwan held the hot milk in both hands and the corners of her lips couldn't help but rise. No matter how unwilling PEI Munian was to admit it, he was still very nervous and concerned about her.

Su Wanwan drank a mouthful of milk. It was obviously pure milk that had no taste, but she felt that it was extremely sweet.

PEI Munian drove to Dynasty Hotel. He got out of the car and walked straight through the gate, not bothering to meet su Wanwan behind him. She raised her fist at his back, unbuckled her seat belt, and pushed the door open to get out of the car.

The waiter brought them to PEI Munian's exclusive private room. As soon as they sat down, PEI Munian threw the menu in front of su Wanwan and said in a deep voice, " "Order whatever you want. We'll go home after we're done."

".....?" His skill in chasing her away was simply at the point of perfection. Previously, he kept saying that he was chasing her away, and now, he was also saying that he was chasing her away!

Su Wanwan's hands clenched tightly. don't think that I'm very willing to eat with you. As long as you give me a definite letter, I can leave immediately when we go to file for a divorce!

PEI Munian acted as if she had not heard her and directly said to the waiter, " "Serve all the dishes on the menu."

The waitress smiled and nodded. alright, boss PEI.

Every time she talked about divorce, he would avoid talking about it. Su Wanwan bit her lower lip heavily with her pearly white teeth, her beautiful eyebrows tightly knitted and she said angrily: "PEI Munian, what do you want? Are we still going to get a divorce?"

PEI Munian slowly picked up the red wine on the table, took a sip, and then looked at su Wanwan. what do I want? What do you want? You're the one who's been wanting a divorce."

"So, you don't want to divorce me, right?"

PEI Munian curled her lips and looked at her with her black eyes. Su Wanwan's heart moved and her hands clenched subconsciously. PEI Munian, you have to admit it!

However, PEI Munian only replied lazily, " I didn't say that.

F * ck!

Su Wanwan slammed the table and stood up. PEI Munian, you're so sweet.

In her excitement, she accidentally knocked over the glass of red wine on the table. The red wine spilled out and dripped onto her dress.

PEI Munian glanced at her from the corner of her eyes. you're still so angry. It seems like your stomach isn't very uncomfortable. This meal is wasted.
