798 Are you really giving up?(2)

Before PEI Munian could shake her off, su Wanwan let go of him and jumped down. Her black eyes widened and stared at him. PEI Munian, don't regret it!

Su Wanwan wiped the corner of her lips, stepped on her high heels, held her head high and puffed out her chest, turned around and left.

—

When su Wanwan returned to the SU residence, she ran into Shen Ziwei at the entrance. He was putting on his shoes and seemed to be going out. She couldn't help but say, " brother Ziwei, where are you going so late at night? "

Shen Ziwei stopped putting on his shoes when he saw her. He smiled and said, " "I'm going to find you."

"He was looking for me."

"Yes."

Shen Ziwei changed back into his slippers and bent down to place her slippers in front of her. As he spoke, he turned around and walked into the living room. I called you just now, but your phone was turned off. I saw that you weren't back yet, so I went out to look for you. But you came back.

Su Wanwan changed into slippers and followed him into the living room, but she raised her eyebrows in surprise, " I turned off my phone? I didn't switch off my phone!"

She took out her phone from her bag and looked at it. It was indeed turned off. did it run out of battery?
" That's not right, I just charged it before I left."

Su Wanwan turned on her phone and the power indicator showed that there was still 60% left. If it wasn't an automatic phone shut down, then it must be that she urged su Wanwan to quickly look at her call records. When brother Ziwei called, she was eating with PEI Munian and she went to the bathroom for a while. Then, did PEI Munian see brother Ziwei calling and was jealous, so she turned off her phone?

Su Wanwan's eyes flickered slightly. For a moment, she didn't know whether to be happy or angry.

PEI Munian would give her hope every time she was about to give up. She was clearly unwilling to accept her, but she would not let her go. As for her, this fool, even if there was only a little hope, she could not help but want to work hard and persist.

Suddenly, she felt a light knock on her head. Shen Ziwei's gentle voice rang out beside her ear. what's with that crying and laughing expression? " Did he go to PEI Munian again?"

Su Wanwan returned to her senses and sat on the sofa weakly. She said weakly, " yes, I went to find him again and even gave him an ultimatum.

"What?"

"I told him that I won't disturb him anymore. If he can't truly love me and trust me, he shouldn't keep me." Su Wanwan pulled the corners of her lips, but she couldn't pull out a smile. I thought he would at least say something or write something. In the end, he was very indifferent and left directly.

"Did I dig a huge pit for myself to jump into?"

"I told him not to regret it, but I feel like I'm the one who's going to regret it. Brother Ziwei, what should I do? If niannian really doesn't want me to stay, what should I do?"

Shen Ziwei sat next to Su Wanwan and rubbed her head with his big palm. He comforted her, "she won't. I can tell that your PEI Munian cares about you.

"There's no use in caring. I know that he loves me and cares about me, but is that enough? He hides his love, he hides his care, and he's always so careful. It's so hard for me to see him like this. I don't want him to live like this."

Shen Ziwei lowered his eyes and muttered to himself, then smiled. "Then, why don't we completely let go? Wanwan, I'm going to Switzerland tomorrow. Come with me."

"What?"

Shen Ziwei's eyes flickered and his lips curled into a profound smile. "Come to Switzerland with me."
