Chapter 80 why did you help her (12)

It was such a gentle and sweet voice, but it said such cold and heartless words. Xi Zhiwei was originally just sobbing softly, but now she burst into tears.

PEI Munian did not seem to hear him and hung up the phone without hesitation.

When Xi Zhiwei heard the beeping sound in her ear, she cried even louder. She even angrily threw her phone to the ground.

That day, su Wan also slapped her. He didn't mention it. Every word he said was to protect su Wan. Everything she did was for him, but he still said such terrible things to her in the end.

From the moment he promised her brother that he would take good care of her in the future and not let her suffer grievances, he had always been very good to her. He had always been her alone, but since su Wanwan appeared, he changed. Everything changed.

Su Wanwan shouldn't have appeared. As long as she wasn't around, brother mu Nian's heart would return to her and he would treat her as well as before. She must drive su Wan away, just like three years ago, drive her away from brother mu Nian!

"Yo, I'm angry for a beauty ~"

PEI Munian had just hung up the phone when Lu Sheng's voice came from the office door. He was leaning against the door with his arms crossed. His peach-shaped eyes were slanted, and his gaze was full of teasing.

PEI Munian ignored his words and threw her phone back on the table. She glanced at him. why are you here? "

no, I was just passing by, so I came up to take a look. I thought that after you and su Wanwan got married, you would have a big fight. I didn't expect that you're living quite comfortably. You weren't tortured by her until you were on the verge of death. For her sake, you didn't hesitate to say harsh words to Xi Zhiwei. It's not easy.

Lu Sheng said as he walked in. Then, he sat on the sofa and crossed his legs.

"But I say, you should have treated Xi Zhiwei like this a long time ago. You've been spoiling her so much that she can't even distinguish reality from reality. She's doing whatever she wants just because her brother saved your life."

PEI Munian couldn't be bothered to listen to his nonsense. are you done? after you're done, you'll get lost."

lu sheng shook his head. " i'm so concerned about you. how could you be so heartless? i've been working so hard to get ji xinxin to come out of retirement for you. you have no idea how hard it is to get her to come out! "

“So, the limited edition sports car that you’ve always wanted will be delivered to your house next month.” pei mu said without even raising her head.

Lu Sheng immediately stopped complaining and put on a flattering face. He pinched his neck and said, “thank you for your kindness, my Lord.

PEI Munian lazily lifted her eyelids and gave him a sidelong glance.

“Ahem.”

Lu Sheng cleared his throat and put away his flirtatious expression. Then, his eyes turned serious, and his voice became serious. Munian, are you really going to bring the SU family back to life? ”

pei munian’s black eyes narrowed and she did not say anything.

Lu Sheng stared at PEI Munian for a few seconds and couldn’t help but continue, “ you should be clear why Su Wanwan married you. This time, not only did you help her find an endorsement, but you also increased the investment. When SU group is back to life, will su Wan still be willing to be with you? ”

How could he not know that if he spared no effort to help concubine su, he might lose his value to su Wanwan, but ran ran, he didn’t want to see her get hurt and be bullied.

Su Wanwan was still suitable, the proud su Wanwan.
