

Deeply 800

800 Are you really giving up?(4)

Lu Sheng was back in America today and the driver sent him to the airport. When he got out of the car, he happened to see su Wanwan and Shen Ziwei getting out of another car and taking out their luggage from the trunk.

What was going on? They're also going overseas?

Lu Sheng knew that su Wanwan had been looking for PEI Munian to get a divorce recently. He originally thought that su Wanwan was just like on the cruise ship and just wanted to provoke PEI Munian. But now, it didn't look like Yingluo!

Su Wanwan couldn't really be together with Shen Ziwei, right?

Lu Sheng thought about it and unconsciously walked over. When he came back to his senses, he was already standing in front of Shen Ziwei and su Wanwan.

"Senior brother Lu?" Su Wanwan looked at him in surprise. what a coincidence.

"Yes, it's quite a coincidence. I'm going back to America today."

Lu Sheng's gaze slowly swept between su Wanwan and Shen Ziwei, then landed on the suitcases on the ground. One was pink and the other was blue. It was obvious that they didn't belong to the same person.

Lu shengxiao pretended to be nonchalant and smiled. "Su Wanwan, where are you and Mr. Shen going?"

"Oh, we're going to Switzerland."

"Switzerland? Work?"

"That Yingluo." Su Wanwan was about to answer when Shen Ziwei raised his hand and intimately wrapped it around su Wanwan's shoulder. He looked at su Wanwan with eyes full of love, " we're going on vacation. I heard that the church there is very beautiful.

Why did Qingqing mention the church when they were on vacation?

Lu Sheng's heart skipped a beat. He looked at them in shock. you ... You're really getting married? "

Shen Ziwei smiled but did not answer. Instead, he looked at his watch and said, Mr. Lu, I'm sorry. We're going in now. See you next time.

With that, Shen Ziwei pulled up his luggage. Wanwan, let's go.

"Ah? Oh."

Su Wanwan followed Shen Ziwei in a daze. After walking for a long time, she recovered from her shock and remembered what Shen Ziwei said just now. She couldn't help but say, " brother Ziwei, we're clearly there to discuss a collaboration. Why did you mislead senior brother Lu? "

On the way here, Shen Ziwei had already explained to her that they were going to Switzerland this time to fight for a collaboration project. However, it was estimated that the project would not be easy to discuss, so they would have to stay there for a while and would not be able to return home for the time being.

Wanwan, I said you're smart, but why are you so silly sometimes?!

He didn't want to misunderstand Lu Sheng, but he wanted to use Lu Sheng's mouth.

"What silly? What do you mean by that?"

"Think of it yourself!"

PEI Munian also didn't sleep for almost the entire night. When he saw su Wanwan's message at nine O'clock in the morning, he stared at the phone and was in a daze, not moving for a long time.

He had picked it up many times and put it down many times. In the end, he still lacked the courage to take that step.

After an unknown period of time, her phone suddenly rang. PEI Munian's dull eyes regained some clarity. He glanced at the phone screen, picked it up, and answered the call. what's the matter? "

"Young master PEI, are you really going to give up on su Wanwan? Are you really going to let her marry Shen Ziwei?"

PEI Munian furrowed her brows. She could tell that there was a hidden meaning in Lu Sheng's words. She opened her thin lips and said in a low voice, " "Speak clearly."

"You don't know? I just saw Shen Ziwei and su Wan at the airport. They are going to Switzerland together. From what Mr. Shen said, he and su Wanwan seem to be preparing to go there for their wedding."

Hold a Wanwan wedding?
