

## Deeply 802

802 Are you really giving up?(6)

Last night, su Wanwan had said the same thing to him. PEI Munian, don't regret it!

Don't regret it if you don't accept her or love her. Don't regret it when she really doesn't belong to me in the future.

The light in PEI Munian's eyes gradually dimmed, filled with hesitation and struggle. Actually, he knew that he would regret it. He had regretted it the moment he walked out of the hotel, but he did not have the courage to stop, just like how he did not have the courage to chase after her now.

There were still 15 minutes before boarding time.

Shen Ziwei looked at the absent-minded su Wanwan and said softly, "Wait for me here, I'll go get you a hot drink, okay?"

"Yes."

Shen Ziwei gently patted su Wanwan's head, turned around, and walked towards the coffee shop not far away.

Su Wanwan sat on the chair and looked at the mobile phone in her hand. It was quiet from the beginning to the end. She raised her eyes and looked around but couldn't see the person she wanted to see. At this time, Lu Sheng should have told him the news of her going to Switzerland.

She was going abroad with another man. She might get married there, and she might not come back. Was he still okay with that?

Actually, she wasn't upset because he didn't love her, but because Hanhan clearly loved her, but he suppressed himself, closed himself off, and was unwilling to face his own feelings.

Not being able to let go had always been more painful than not loving her. Sometimes, she would rather PEI Munian not love her and let go completely. At least, his future life would not be complicated and painful because of her. This way, she would have a reason to give up.

"Stupid PEI Munian, you big idiot."

Su Wanwan mumbled and complained word by word. Her nose became sour again, and then tears fell and hit the phone screen.

Shen Ziwei came back with two cups of hot drinks. Su Wanwan sat there, her hands covering her face. Her shoulders trembled slightly and he sighed softly.

He walked over and squatted in front of su Wanwan. He took the hot drink and stuck it to her cheek, laughing at her without restraint. Wanwan, to be honest, you look ugly when you cry, so don't cry. It's unsightly.

".....?"

Su Wanwan raised her eyes and couldn't help but punch Shen Ziwei. She complained, " brother Ziwei, I'm already so sad, and you're still bullying me.

Shen Ziwei got up and sat in the chair next to su Wanwan. He first took out a handkerchief to wipe her tears and then handed her a hot drink. come, drink.

A hot drink was stuffed into her hand. The warmth warmed her palm, but su Wan's heart was cold.

The announcement started to notify them of the boarding time and it repeated in their ears. Shen Ziwei got up and pulled su Wanwan up. we're boarding, let's go.

Su Wanwan was dragged away by Shen Ziwei, but she didn't give up and continued to look around. There were so many people in the airport, but not a single one of them was the person she was waiting for or looking for.

Even if she knew in her heart that he might not come, didn't he leave so resolutely last night?

He couldn't give her the trust she wanted, but she couldn't accept what he could.

They could be together, but did they have to spend the rest of their lives in a daze, unable to open their hearts and unable to love each other deeply?

If PEI Munian did not love her, perhaps she could put up with it. But now that she knew that he loved her, she could not tolerate any flaws.

Lu Sheng sat in the VIP waiting room, separated by the floor-to-ceiling glass window, and watched su Wanwan being dragged away by Shen Ziwei. He couldn't help but take out his phone and type a text message: [ you only have five minutes to regret. ]
