809 The line between life and death (5)

Did someone come? Did someone come to save her?

Su Wanwan tried hard to lift her eyelids, but it was still dark in front of her eyes and the wind was still whistling in her ears. No one was calling her at all.

Su Wanwan lowered her eyes in despair. However, the next second, a voice came to her ear, "su Wanwan! Su Wanwan, come out! Su Wanwan, where are you?"

Was there really someone calling her?

Su Wanwan moved her head with difficulty and shook off the snow on her head so that she could hear the shouts better.

However, after she said this, only the sound of the wind and snow remained, as if the shout just now was just her hallucination.

That's right, no one knew that she had come up the mountain. Now that the snow was so heavy, who would think that she was on the mountain? How could anyone come to save her?

If she really died like this, brother Ziwei would definitely blame himself. After all, he was the one who brought her to Switzerland. Although she had not been able to contact her sister for a long time, her sister doted on her so much that she would definitely be very sad. There was also nanny li and Xiao Zeze. She originally wanted to see Xiao Zeze grow up and see what he was like when he grew up. Would he be as handsome as her father? she still had to earn money and manage the company. When he grew up, she would hand it over to him. Unfortunately, she didn't have the chance to do so.

Fortunately, she had brother Ziwei now. Brother Ziwei would definitely take good care of Xiao Zeze, so she did not have to worry so much. Even if she went to heaven, she would be able to answer to her grandfather.

As for PEI Munian's teasing, would he be sad or regret it?

He should be, right? Didn't he love her? He would definitely be sad and regret it.

Su Wanwan suddenly felt a little ridiculous. That day when she left, she told PEI Munian not to regret it!

He actually hit the nail on the head.

At this moment, she really hoped that PEI Munian would not regret or be sad and forget her. She did not want to see him unhappy for the rest of his life.

She would rather he find another good girl who loved her. As long as it was not Xi Zhiwei, she would support him. Someone would love him, stay with him, give him warmth, and maybe have a few children in the future.

She knew that he liked children. He should be happy to have children with him. It was just a pity that she could not bear him a child.

“PEI Munian, PEI Munian, PEI Munian, PEI Munian, PEI Munian,”

If she had to die, could she at least let her see PEI Munian one last time before she died? just one look would do.

Su Wanwan mumbled, but her voice became smaller and smaller. Her breathing slowly became difficult and her consciousness also left her mind little by little.

“Su Wanwan, su Wanwan, where are you? answer me. I beg you, quickly answer me!”

PEI Munian was panting heavily. His entire body was extremely stiff and all his muscles were tensed up. He staggered as he walked, but even if he tripped, he still got up again and again. Even if it was extremely uncomfortable, he still walked up step by step against the wind.

“Su Wanwan!”

He screamed hysterically. PEI Munian fell into a ball of snow, fear and despair in his eyes. He was afraid that he couldn’t make it in time, afraid that su Wanwan couldn’t wait for him.

PEI Munian struggled to get up and continued to shout loudly. Suddenly, she saw a large piece of snow in front of her move. PEI Munian’s eyes lit up and she quickly ran over.

Is that su Wanwan? Could it be her? Was she there?
