"So su Wan, if you want me to believe you and love you, I'll only have the chance in this life. In the next life, you won't meet me and I won't let you meet me. It's enough for us to be entangled in this life!"

"What?"

PEI Munian took a deep breath and closed her eyes. When she opened them again, a trace of determination flashed across her eyes.

He held su Wanwan's hand and put it on his shoulder. He turned around and squatted in front of su Wanwan. He then grabbed her other hand and put it on his other shoulder, letting her hand wrap around his neck. His hand supported himself on the snow and slowly got up. His hands supported su Wanwan's legs. su Wanwan, I'm warning you for the last time. You're not allowed to close your eyes and you're not allowed to sleep. Otherwise, you won't have the chance to meet me again, do you hear me?!

Su Wanwan's head leaned on PEI Munian's shoulder and she complained weakly, " PEI, PEI Munian, why are you, why are you like this? "

"I'm always like this. You know I never go back on my word, right?"

"If, if I knew you would be like this, I, I wouldn't have liked you."

PEI Munian's footsteps paused. He turned his face and glanced at su Wanwan's face that was almost purple from the cold. He felt that her breathing was getting weaker and weaker, and his voice was a little hoarse. su Wanwan, you, when did you start to like me? "

When did he start liking PEI Munian?

Su Wanwan's blurred consciousness slowly sobered up a little. She curled her lips and chuckled, " when? " I, I didn't tell you, didn't I?"

"The University, at the University orientation, aren't you a student, the student representative, to give a speech on stage? I ... I saw you the moment I sat down. I still ... Still remember that day when you were wearing a white shirt and black suit pants. You had a tall and slender figure. When you smiled, my heart felt like it was about to melt."

"Me? I'm not so easily charmed by a guy. But that day, when you looked at me unintentionally, I suddenly thought how good it would be if this man only had me in his eyes. It must be a wonderful thing for you to be able to see my figure."

Recalling the good times of the past, su Wanwan's voice seemed to be a little lighter.

"Welcome party?"

PEI Munian mumbled these words, countless emotions boiling in her heart. so, so you've liked me so early on? "

“Early?” Su Wanwan sighed. I still, I still feel that it’s too late. I can’t wait to be by your side when you were born so that I can like you. So, sometimes I envy Xi Zhiwei. She can grow up with you and not miss out on your life.

now, I-I’m dying again. My life is shorter than hers. I can’t accept this. Niannian, you can be with whoever you want in the future, but Yingluo can’t be her. Absolutely, absolutely not. Otherwise, I won’t be able to die in peace.

“A-promise me, okay?”

Her eyelids were getting heavier and heavier and her body was getting colder and colder. Su Wanwan felt that the blood in her body was no longer flowing and her life was slipping away little by little, “quick, quickly promise me, promise me. I, I don’t have, don’t have time, let me, let me leave in peace.”
