Su Wanwan leaned against PEI Munian, her head rubbing against his arms and leaning closer to him. when you asked me to die just now, I was still a little unwilling. But now, it doesn't matter if I die embarrassedly.

"We won't die," The voice above her head was very low. Even in such a bad situation, his voice could still make people feel very calm. I won't let you die.

PEI Munian lowered her eyes and looked at the trembling woman in her arms who seemed to be asleep. She opened her thin lips and continued, " "Why did you suddenly come up the mountain? Didn't you see the weather notice?"

"Ah?"

Su Wanwan shook her head helplessly. the ring, the ring was lost. I didn't think so much and went up the mountain. When it snowed, I thought it was ordinary snow. I didn't expect it to be a big storm. Then I also encountered an avalanche just now. I thought I would die in the snow. I was still unwilling to give up and thought that I couldn't see you one last time.

As su Wanwan spoke, the corners of her lips rose slightly. in the end, you appeared in front of me and ran all the way here in the snow. I thought I saw God.

"But Yingluo, if we're really that unlucky, niannian, you'll definitely be the most handsome God. Let's be a pair of Immortals in heaven."

if I were to become a God, I wouldn't be with you. So, you only have a chance if I'm alive.

"Tsk."

Su Wanwan raised her head in dissatisfaction and glanced at PEI Munian. you chased me all the way to Switzerland and even came up the mountain to save me despite the danger. Now, you're still saying such things. Can't you be honest with your feelings? Look at me, Yingluo, I'm so honest."

PEI Munian chuckled softly and did not say anything.

Su Wanwan continued, " you, when did you come? "

"Yesterday, two hours later than you."

"Oh, you came after me? Did you do that on purpose when you didn't reply to my messages? You want me to worry? Do you know how sad I was when you didn't try to make me stay?"

If she still had the strength to do so, she would definitely give PEI Munian a few hard punches and make her think that he really did not want her anymore.

"No, you said you came yesterday. Then why didn't Yingluo come to see me?"

The more su Wanwan thought about it, the more she felt that something was wrong. Her eyes suddenly turned cold. you, Yingluo, niannian, don't tell me Yingluo really didn't intend to keep me? "

PEI Munian's dark eyes slowly met hers. His eyes were deep and the fire in front of him reflected in them, as if it had a devilish aura. you want to hear the truth? ”

Su Wanwan silently looked at PEI Munian for a few seconds and quickly looked away. forget it, don't say anything. I don't want to hear anything!

“Are you sure?”

Su Wanwan raised her hand with great effort and covered her ears. I can't hear anything, I can't hear anything!

Even if she didn't say it, she already knew PEI Munian's answer. She didn't reply to her text message, didn't stop her at the airport, and didn't want to see her even after she chased after her. What else could it be?

If it wasn't for her sudden accident, was he planning to never see her again?

PEI Munian also raised her hand and placed it on su Wanwan's hand. She wanted to take her hand away, but su Wanwan stubbornly covered it. don't talk anymore. I don't want to hear it either.

If she wanted to hear, the first few were enough.

However, PEI Munian still used a little more strength and pried her hand off as she spoke word by word.
