"PEI mu niannian, Yueyue." Shen Ziwei opened his mouth, but stopped.

Su Wanwan remembered that when they were on the mountain, in order to keep her warm, PEI Munian took off all his clothes and gave them to her. Even though she forced him to put on a coat and blanket, it didn't have much effect at all in that temperature.

PEI Munian wouldn't cry, wouldn't cry ...

Her black pupils suddenly contracted. Su Wan unconsciously shook her head and clenched her hand that was holding onto Shen Ziwei's clothes tightly. Her frostbitten hand hurt badly because of her tight grip, but she seemed to feel nothing and only stared at Shen Ziwei. brother Ziwei, niannian is fine, right, right? "

She had told PEI Munian that if he died, she would die as well. PEI Munian loved her so much, she would definitely not bear to leave her alone. He would definitely, definitely not let anything happen to Qianqian!

Shen Ziwei looked at her and pursed his thin lips, as if he was considering how to start.

Su Wanwan closed her eyes, took a deep breath, and said in a hoarse voice, " brother Ziwei, I, I'm ready. Tell me, Hanhan, I can take it!

His black eyes swept over su Wanwan's nervous and scared little face. Shen Ziwei's serious expression suddenly broke. He raised his smile, his eyes full of laughter, and his joyful laughter echoed in the quiet Ward.

Su Wanwan nervously waited for Shen Ziwei's answer, but he laughed instead. She blinked her beautiful big eyes and frowned in confusion. brother Ziwei is teasing you. What are you laughing at? "

She was worried to death and he was still smiling?

Wait, Wuwu

Inspiration flashed in su Wanwan's mind and she widened her eyes in shock. you're teasing you, brother Ziwei. You did it on purpose, didn't you? PEI Munian is fine, are you lying to me on purpose?"

"Not bad,"

Shen Ziwei stretched out his hand and his big palm gently rubbed su Wanwan's head. His voice was relaxed and happy, and he didn't forget to tease her, " you've become smarter after being cold for so long.

Su Wanwan flew into a rage out of humiliation. brother Ziwei, how can you be like this!

"This is your punishment for running around and making me worry. If something happens to you, how am I going to explain it to Grandpa and your sister? You're not allowed to do this in the future."

brother Ziwei, I'm sorry. I know I was wrong.

Su Wanwan obediently apologized, but the next second, she still eagerly asked, " then quickly tell me, how is niannian? Is he alright?"

Shen Ziwei shook his head helplessly. He sat back on the bed and replied gently, " he's fine. Don't worry. His condition is slightly better than yours.

Su Wanwan heaved a huge sigh of relief. Fortunately, PEI Munian was fine and he was still alive. that's great. Where is he now? I want to see him!"

As she spoke, su Wanwan struggled to get up. However, the moment she moved, her whole body ached. Shen Ziwei quickly pressed her back onto the bed. don't move around. Your whole body is frostbitten. You must rest in bed.

"But Yingluo."

don't worry, PEI Munian will be here. He's been waiting for you when you were still asleep. Today, he said that he had something to do and went out. Shen Ziwei looked up at the clock on the wall and said, "He should be back soon."

Su Wanwan was a little worried and muttered, " brother Ziwei, you can't be lying to me again, right? " PEI Munian didn't even come?"
