

Deeply 825

825 So you're this kind of Wanwan (1)

PEI Munian took the opportunity to sit on the edge of the bed. She raised her hand and hugged su Wan back. Her big palm gently rubbed her head. Her thin lips moved close to her ear and her voice was as gentle as water. do you feel better? "

"It was a little painful, but it's not as painful now that I've seen you," Su Wanwan smiled and raised her head from PEI Munian's arms. Her black eyes stared at him and she couldn't help but sigh. I still can't believe it.

"Eh? Then what should I do to make you believe me?"

PEI Munian lowered her head, the corners of her lips raised evilly. Then, her thin lips pressed down and kissed su Wanwan's lips. They touched lightly until they separated. She looked at her with her smiling black eyes. Do You Believe Me Now? "

"Still not enough." Su Wanwan shook her head.

PEI Munian smiled and lowered his head again. His thin lips kissed her forehead, nose, and then down to her lips. He opened his mouth slightly and sucked on her lips. Then, he moved away again. how about this? "

Su Wanwan still shook her head. She raised her hands and wrapped them around PEI Munian's neck. She raised her head and kissed him with her red lips.

When the two lips touched, it was as if an electric current flowed through very quickly. Su Wanwan closed her eyes and learned from him. She gently sucked on his lips, carefully traced the shape of his lips, and slowly felt his existence.

He was right in front of her, but she still couldn't feel the reality. She was afraid that this was just another beautiful and short dream.

PEI Munian seemed to understand su Wanwan's thoughts. He also slowly closed his eyes and hugged the woman in front of him tightly. He let her kiss him for a while. He couldn't stand her gentleness and immediately turned the tables.

He pried open her teeth effortlessly, and the tip of his tongue went in, wantonly sweeping across every inch of her mouth, unwilling to let go of any sweetness, chasing and dancing with her.

In the quiet Ward, the two people kissed each other deeply, silently using this way to express all the unspoken feelings. Su Wan's heart beat rapidly. She could even hear her own heartbeat, as if it was going to jump out of her chest.

It's amazing, Yingluo.

She had kissed PEI Munian so many times and had done more intimate things with her. However, this kiss felt like the first time they kissed. It was like they had returned to their university days, when they were first love.

Her face and ears were red and her heart was beating rapidly. It was as if the whole world was spinning and only she and PEI Munian were left in this huge world.

However, it was also a kiss that confirmed their feelings for each other. They had been entangled together for so many years and loved each other for so many years, but only now did they understand each other's feelings. Only now did they dare to believe each other's true feelings. They were together without any grudges or misunderstandings.

It was really good.

Not knowing if it was because of the excitement of escaping from death or because of the excitement of confirming her heart, the simple kiss gradually changed. PEI Munian's kiss on su Wanwan increased in strength, and the strength she used to hold him also became tighter and tighter. Both of their breathing gradually became rapid. Su Wan's body softened and she couldn't support it anymore, falling back into the bed.

PEI Munian fell down with him and was on top of her. Their eyes met, and there were each other's small reflections in their eyes. Their breaths were intertwined. You have me in you, I have you.

Su Wanwan's eyes unconsciously slipped a touch of shyness, but she still slowly closed her eyes.
