

Deeply 827

827 So, this is who you are, Wanwan (3)

She was clearly questioning him in-righteous manner, but when he said it in such an ambiguous tone, why did it feel like she was making love to him because her desire was not satisfied?

Su Wanwan's cheeks quickly flushed red and retorted, "I, I didn't. I just wanted to ask. I just wanted to ask. You, you haven't touched me. Isn't it strange that you don't want to?"

"Oh, is it strange?" PEI Munian's Black eyes stared at su Wanwan's face, and the corners of her lips curved into an evil arc. what's strange? "

".....?"

Why did she feel embarrassed about something that she should be angry about? And why did he feel like he was being teased?

Su Wanwan blinked and tried her best to calm herself down. She couldn't let PEI Munian lead her away. But the moment she opened her mouth, her words unconsciously started to stammer, "that ran ran, that us, we're husband and wife. Isn't this kind of thing natural? "

"This kind of thing? What kind of thing is this?"

"PEI Munian!"

Su Wanwan was so angry that she gritted her teeth and angrily shouted his name. She said sternly, "I'm talking to you about this very seriously. Can you please treat it seriously too? "

She had been struggling with this matter for a long time. Before this, no matter whether she had openly or secretly pounced on him, forcefully or seduced him, it had all ended in failure. She thought that after they had confessed their feelings to each other, this problem would no longer exist. In the end, he had still stopped halfway.

She was so worried, but he was still smiling here!

Su Wanwan's hand that was holding PEI Munian's clothes tightened and pulled him down again. She glared at him fiercely and said, "why can't I? " Yingluo, you, Yingluo, you don't love me anymore?"

When she said this, su Wanwan's heart couldn't help but thump.

Although they had confessed their feelings for each other back then on the mountain, he had never told her that he loved her. She still didn't know what he was thinking in his heart.

After all, if this accident hadn't happened to Yueyue, PEI Munian didn't intend to keep her and even said that she would let her go, Yueyue.

She had said that if he didn't love her, she would set her free just to provoke him and make him face his feelings. She didn't really want him to let go.

The more su Wanwan thought about it, the more uneasy and afraid she became. Just as PEI Munian was about to answer her, her hand reflexively covered his mouth and she shook her head hard. I, I won't ask

anymore. I'm not curious anymore, so you don't have to answer. Our Yueyue, let's just live like this. As long as, as long as you're by my side, it's fine.

PEI Munian found su Wanwan's nervousness a little funny, but her heart ached more.

The misunderstandings between them had led to his distrust of her, and it had also left a scar in her heart. She was always afraid to face the real answer.

PEI Munian raised her hand and placed it on su Wan's hand. His thin lips gently kissed her palm, then he moved her hand away and kissed her lips again. After carefully pecking for a while, he said in a hoarse voice, "su Wan, I love you.

"Ah?"

Su Wanwan's eyes widened in shock and she looked at the man on top of her in a daze, as if she couldn't believe the words she heard in her ears. Such beautiful words.

"Whether it was in the past or now, it has never stopped." PEI Munian smiled and continued.
