

## Deeply 828

828 So, this is who you are, Wanwan (4)

Had the rustling never stopped in the past or now?

Since that was the case, why didn't he touch her? It wasn't her problem, and it wasn't because he didn't love her. Could it be that Yingluo's body had a problem, just like what she and Yu Jia had guessed?

No wonder he had always been pure-hearted and avoided this question. It was also because a man would not be willing to say such things.

Su Wanwan looked suspiciously at PEI Munian's lower body and nodded her head. Then, she said with a pitiful face, "I'm sorry, niannian. I didn't know you were scared, but it's okay. Medicine is so advanced now. Don't give up on treatment. There's definitely still hope.

".....?"

Su Wanwan swallowed her saliva, pursed her red lips, and said firmly, "Even if there's no way to cure it, I'll still be by your side. Niannian, don't worry."

".....?"

PEI Munian held her forehead and looked at su Wanwan with a headache. Wanwan, what nonsense are you thinking about? "

niannian, I understand. I know that this kind of thing is hard to say, so you don't have to say it. I can understand. I don't have to do that. I can have a platonic relationship with you.

Platonic love?

PEI Munian felt that his head hurt even more. His long fingers rubbed the space between his eyebrows and he smiled helplessly. Sometimes, he really wanted to know what was inside su Wanwan's head. Why could she always come up with so many strange ideas?

Wanwan, put away all those messy things in your head. It's not what you think!

However, in su Wanwan's eyes, PEI Munian's words at this moment were all excuses that hurt her self-esteem. Su Wanwan quickly restrained her expression and nodded seriously. Okay, okay, okay. I won't say anything. You just have to know that I don't care. I really don't care.

She was clearly still thinking nonsense.

PEI Munian really did not know whether to be angry or laugh. He opened his mouth and wanted to explain, but looking at her tolerant expression, he knew that it was useless to explain. He might as well be better off than Wanwan.

PEI Munian's body suddenly pressed down again. Before su Wanwan could react, his thin lips had already covered her lips. The tip of his tongue pried open her teeth and swept inside wantonly, approaching her step by step like a whirlwind.

Su Wanwan was stunned for a moment. Then, the light in her eyes flickered. She closed her eyes and raised her hands to wrap around PEI Munian's neck, but he grabbed her hands and pressed them on the top of her head.

Su Wanwan opened her eyes in surprise. PEI Munian had already freed one hand and reached under her clothes. His kiss also gradually moved down from her lips and landed on her neck, leaving a deep kiss.

This is a Kasaya?

Su Wanwan had yet to figure it out when her clothes were lifted. PEI Munian's lips had already kissed down from her neck and covered her soft breasts without hesitation. Su Wanwan couldn't help but take a deep breath and her body tensed up. Then, a sharp pain suddenly came from her back, so painful that she frowned.

PEI Munian stopped at this moment. He placed his hands on both sides of her face and panted heavily. His dark eyes were filled with extreme darkness and endurance. Wanwan, it's not that I don't want to, but your body doesn't allow it right now, hmm? "

besides, my body hasn't fully recovered yet. I don't have enough strength. Of course, if you really want it, I can help you.
