836 A strange phone call (6)

Three days later? But brother Ziwei needs a week to be back here, ”

“Aren’t we going to wait for brother Ziwei?”

Su Wanwan knew that the contract discussion was almost over. All that was left was the signing of the contract. It was originally scheduled to be on the day she was discharged from the hospital, but in the end, President Jin and brother Ziwei went to inspect the factory.

“What is there to wait for? He’s a child and a man here, so he won’t get lost. What are you worried about?”

“.....?”

If he didn’t do it on purpose, she could have written her name backward.

Su Wanwan couldn’t help but laugh. niannian, your jealous look is so childish!

“Yes.”

“But I like it!”

Su Wanwan cupped PEI Munian’s cheeks and kissed her red lips. PEI Munian was stunned for a moment but quickly turned from guest to host. She hugged her and kissed her back deeply.

However, in the end, PEI Munian’s wishful thinking fell through. CEO Jin had something to attend to at the last minute and had signed the contract with Shen Ziwei in advance. It was the day before they returned to China, and Shen Ziwei had booked a ticket for the next day.

PEI Munian’s face was black the entire time. Su Wanwan laughed extremely happily at the side until she was pulled into PEI Munian’s arms and kissed deeply in front of Shen Ziwei. Su Wanwan’s face was as red as a monkey’s butt. She only dared to hide in PEI Munian’s arms and did not have the face to look at Shen Ziwei.

PEI Munian’s mood suddenly became comfortable. He held su Wanwan and let her lean into his arms. He said softly, ” “Go to sleep.”

Su Wanwan pinched PEI Munian hard, causing him to hiss in pain. Su Wanwan then relaxed her eyebrows in satisfaction, leaned into his arms, and closed her eyes.

Shen Ziwei sat on the other side of the aisle and watched the sweet interaction between the two of them. He felt a little emotional, and there was an undetectable envy in his eyes.

Su Wanwan and PEI Munian had made up. Although it meant that he couldn’t complete his grandfather’s instructions, it was worth it for his little sister to be happy. He owed sister Wanwan and couldn’t do anything for her, so he would do something for her beloved sister. It was the only thing he could do to make up for Wanwan.

Shen Ziwei swept a glance at su Wanwan, who was gradually falling asleep in PEI Munian's arms. His gaze fell on PEI Munian, who was pretending to be asleep with her eyes closed. He slowly opened his mouth and said, "if you make Wanwan sad again in the future, I will definitely take her to a place you can't find."

PEI Munian's eyes did not open, but her arms tightened around the woman in her arms. Her thin lips parted slightly as she said indifferently, "You won't have the chance."

"I hope so,"

—

It was already late at night when the plane landed.

The three of them walked out of the airport. PEI Munian's driver was already waiting at the door. PEI Munian put her arm around su Wanwan's waist and took her straight to her car.

After the chauffeur greeted him respectfully, he took the luggage and placed it in the trunk.

PEI Munian protected su Wanwan as she walked into the car. He also got in and was about to close the door when su Wanwan hurriedly said, "Niannian, there's still brother Ziwei!"

PEI Munian glanced at Shen Ziwei, who was still standing outside, and said lazily, "It's not on the way,"

".....?" The villa and the SU residence were clearly in the same direction.

"And there's no more space in the car."

Clearly, one more person could sit in the back seat, and the front passenger seat was empty. How was there no space?

Su Wanwan didn't know if she should be angry or laugh. can't I just send brother Ziwei on his way? "You know that our relationship is very pure. Haven't you been jealous for more than a month?"

"Yes, I bear grudges." PEI Munian answered without hesitation. She then slammed the car door shut and said to the chauffeur in front, "Drive."
