Hold a grudge?

Su Wanwan blinked her big eyes. So even if her relationship with brother Ziwei was very pure, because of their past ambiguity, he wouldn't give brother Ziwei a good look?

Su Wanwan couldn't help but remember the first time he met brother Ziwei. When they shook hands, he almost crushed brother Ziwei's hand bones and couldn't help but burst into laughter.

She sized up PEI Munian's calm and composed face with interest and teased, "Niannian, I didn't expect you to like me so much. If you're so jealous, how did you manage to hold it in on the cruise?"

On the cruise ship, she had tried to get close to brother Ziwei, but he was unmoved. His face was expressionless, and even his eyes did not change. She was so disheartened that she thought he really did not love her anymore.

PEI Munian glanced at her indifferently and replied without blushing, "Life is like a play. It all depends on acting skills.

"Ahem." Su Wanwan almost choked on her own saliva. w-what? "

When she finally realized what PEI Munian had said, she laughed so hard that tears flowed out of her eyes. She collapsed into PEI Munian's arms, her eyes curved into crescents, and her voice was full of laughter. niannian, are you interested in entering the entertainment industry? You'll definitely become famous and compete for Best Actor!"

PEI Munian's face turned red from su Wanwan's words. He looked away and avoided su Wanwan's gaze. However, when he heard her laughter, the corners of his lips couldn't help but rise.

—

After returning to the villa, su Wanwan hugged the extremely excited aunt Wu and said softly, "Auntie Wu, I missed you so much."

Auntie Wu's voice turned hoarse. young Madam, I missed you too. Welcome back.

Last time, she carried her luggage and left with Xiao Zeze in her arms. The young master didn't try to keep her at all and was extremely cold. She really thought that the two of them were going to be separated from now on. She didn't expect her to come back so quickly. She was really worthy of being su Wanwan.

"Young Madam, you won't leave again this time, will you?"

"Of course, this is my home. How can I leave?" After su Wanwan let go of aunt Wu, she held PEI Munian's arm. is that so? "

PEI Munian raised her hand and rubbed su Wanwan's head. She then said to Wu Xin, "Take the young Madam's luggage upstairs."

Wu Zheng was stunned for a moment before he broke into a smile. The young master had addressed her as young Madam, unlike the cold miss su from back then. It seemed that the young master and young Madam had really made up.

Auntie Wu nodded her head and smiled. yes, young master.

After PEI Munian and su Wanwan changed their shoes at the entrance, they went upstairs together. He had some business to deal with, so he went straight to the study room. Su Wanwan returned to the master bedroom.

After sitting on the plane for more than ten hours, su Wanwan was exhausted. She turned on the hot water and took a comfortable bath, almost falling asleep in the bathtub.

When she came out of the bathroom, su Wanwan had yet to see PEI Munian's figure. She subconsciously glanced at the clock on the wall. It was already past twelve o'clock.

After a tiring day, he should rest early. What official business had to be dealt with now?

Su Wanwan pouted and tied the belt of her bathrobe. She left the room and walked towards the study, ready to be caught by PEI Munian to sleep.

The door of the study wasn't closed tightly, leaving a small gap. Light poured out from the room. Su Wanwan walked over and saw PEI Munian standing by the window with her back to her, talking on the phone.
