PEI Munian looked down at her. Su Wanwan blinked her beautiful big eyes. Even though she had just woken up, her bare face faced the sky, and her hair was still messy, she was still delicate and lovely.

When she spoke in a soft voice, it was simply impossible to resist.

"One hour."

"What?"

"I'll allow you to go back for an hour."

".....?"

Su Wanwan couldn't help but refute. niannian, one hour is too long.

"Half an hour!" PEI Munian said without thinking.

Su Wanwan immediately changed her mind. deal, one hour it is then!

PEI Munian raised her hand and rubbed su Wanwan's head. Her voice softened. go back and sleep for a while more.

"No, I've slept enough. I want to have breakfast with you!"

PEI Munian smiled and the two of them went into the bathroom together. They stood in front of the mirror and brushed their teeth and washed their faces. Su Wanwan looked at the reflection of the two people in the mirror. Happiness seemed to be such a simple thing.

After breakfast, PEI Munian and su Wanwan went out together. PEI Munian stood beside the car and said to su Wanwan, "Get in the car, I'll send you there."

"No, don't you have a meeting to attend? I'll go by myself." After a pause, su Wanwan raised her hand and made a vow. I promise that I will only be there for an hour, so stingy Mr. PEI, you can go to work without worry.

Su Wanwan pushed PEI Munian into the car and quickly planted a kiss on his lips. She smiled and said, "Remember to miss me."

PEI Munian looked at her helplessly and rubbed her head with her large palm.

Su Wanwan closed the car door, took two steps back, and waved at PEI Munian, who was in the car. PEI Munian's lips curved into a smile and she said to the driver in front, "Drive."

When su Wanwan returned to the SU residence, Shen Ziwei and Xiao Zeze were having breakfast. They hadn't seen each other for more than a month, but Xiao Zeze seemed to have grown up a little.

In the past month, she had missed Xiao Zeze the most. They had been together since he was born, but this was the first time they had been separated for so long.

Su Wanwan hugged little ze ze and kissed him non-stop. Little ze ze also seemed very happy. He opened his round eyes, grinned at her, and waved his small hands constantly.

“Have you had breakfast?” Shen Ziwei asked with a smile.

“Yes, I’ve eaten.” Su Wanwan raised her eyes and looked at Shen Ziwei, a little embarrassed, “ brother Ziwei, I’m sorry for leaving you alone yesterday. It’s all niannian’s fault for being too childish.

Shen Ziwei did not seem to mind. it’s normal for men to become childish in front of the woman they love.

Su Wanwan gently bit her lower lip and smiled sweetly.

I’m going to the company, so I won’t be accompanying you. You can stay here and accompany little Zeze.

“Alright,” he said.

After Shen Ziwei went to the company, su Wanwan played with Xiao Zeze for a while. Seeing that the sun was just right outside, she thought for a while and said to nanny li, “Nanny Li, I’ll take Xiao Zeze out for a walk.”

In the future, when she lived in the villa, she would see little Zeze less. This time, because of her injury in Switzerland, she didn’t buy a gift for little Zeze, so su Wanwan drove to the shopping mall with little Zeze.

The car stopped in the underground parking lot of the shopping mall. Su Wanwan carried Xiao Zeze and walked towards the elevator. There was no one in the large parking lot at the moment and her own footsteps could be heard clearly.

Suddenly, he heard heavy footsteps behind him.
