Chapter 85 What do you take me for (5)

One of the pieces of paper fell at PEI Munian's feet. He bent down and picked it up, his dark eyes subconsciously scanning the words on it-an analysis of the SU family's current situation and future development.

It turned out that she had stayed up for a few nights just to make this report.

PEI Munian walked over and picked up the pieces of paper on the ground. Then, he casually flipped through a few pages, and his eyes flickered.

When she was in University, although su Wanwan studied Business Administration, in fact, she didn't like this major. It was only because the SU family didn't have a son that she had to shoulder this heavy responsibility.

Unfortunately, she didn't have much talent in this area. Although she studied hard, her grades were only above average, and she couldn't be the best. For this reason, she always sighed and complained to him.

"Why are your grades so good even though you don't study much?"

that's so unfair. You can get an A+ without reading before the exam? "

"PEI Munian, let's divide the work in the future. You'll be in charge of earning money to support the family, and I'll be in charge of being as pretty as a flower. It's awesome, right?"

At that time, he looked at su Wanwan happily talking to herself. He only replied coldly, " su Wanwan, who said I wanted to marry you? "

Su Wanwan's big, beautiful eyes were wide open, sparkling with a bright light. She raised her small chin, confident and proud. you, PEI Munian, I'm so beautiful, beautiful, generous, dignified, and elegant. Where are you going to find a wife as good as me? "

He was amused by su Wan's self-praise and laughed. He held his chin, his black eyes glanced at her, his thin lips slightly opened, and said without any politeness: "Su Wanwan, do you dare to be more shameless?"

Su Wanwan wasn't hit by his words at all. Instead, she directly came over and said, " "Why are you even more shameless? Is it like this?"

As soon as she finished speaking, she stood on her tiptoes and planted a kiss on his lips with lightning speed.

And then, Xuxu's first kiss was taken away.

Then, at night, he lay on the bed with his hands behind his head and looked at the White ceiling. He thought of what su Wanwan said and thought of his first kiss that was taken away. He couldn't help but touch his lips with his fingers and suddenly felt that su Wan's idea was quite good.

In the future, he would be in charge of making money for the family, and she would be in charge of being beautiful.

He was in charge of the company, and she only needed to take care of him.

But in the end, what happened to them turned out to be a ridiculous farce.

PEI Munian gradually woke up from her memories. Looking at the well-written report in her hands, a trace of heartache flashed across her eyes.

She must have been exhausted this past year.

The once proud su Wanwan, for the SU family, for the SU family, almost gave up everything. She also forced herself to do a lot of things that she didn't like and didn't want to do.

PEI Munian stared at the report in her hands. After a long time, he stood up and walked to the study room. He made a copy of the report and faxed it out.

—

After su Wanwan woke up, she found that she was sleeping on the bed. She was stunned for a moment and a trace of doubt flashed in her eyes.

Didn't she fall asleep on the sofa last night? Why was she sleeping on the bed? Did someone carry Yingluo to the bed?

Su Wanwan subconsciously looked at the other side of the bed.
