PEI Munian listened to su Wanwan's stammering words and tugged at the corners of her lips. He glanced at her from the corner of his eyes, freed one hand, and knocked su Wanwan's head without any trace of politeness. what nonsense are you thinking in this head again? "

"Owwwuuuu."

PEI Munian's little hand was merciless. Su Wanwan held her head and gasped. She said angrily, " PEI Munian, you're using so much force. Did I hit the nail on the head? "

Even though she had gone a little overboard when she ran away from the wedding a year ago and Xi Zhiwei had been by his side the entire time, she had no right to say anything even if he had a good impression of Xi Zhiwei. However, she still did not like it. No, she hated it.

There were so many twists and turns between her and PEI Munian, and Xi Zhiwei had played a big part in it. She had even caused their child's death. No matter who PEI Munian liked, she could not like Xi Zhiwei.

PEI Munian turned the steering wheel and slammed on the brakes. The car came to a sudden stop, and the tires screeched as they rubbed against the floor.

Because of inertia, su Wanwan's body rushed forward and then she looked at PEI Munian in shock. why did you suddenly stop? "

Before she could finish speaking, PEI Munian had already unfastened her seat belt and leaned towards her. Su Wanwan subconsciously leaned back until her back was between the window and the back of the chair.

With a 'Dong' sound, PEI Munian placed one hand on the side of her face and the other on the back of the chair, trapping her firmly in front of her.

"Su Wanwan, listen well!" PEI Munian's thin lips parted slightly. Her voice was deep and mesmerizing as she said clearly, " I, PEI Munian, will only love one woman in my life. From the beginning to the end, it will only be you and no one else.

As soon as he finished speaking, his thin lips pressed down on her, not giving her any room to breathe. He pried open her teeth forcefully and the tip of his tongue entered. It swept wildly and fervently, invading all of her territory. Because it was mixed with some anger and his strength was a little heavy, the kiss made su Wanwan feel a little pain. But because of this little pain, she deeply felt PEI Munian's deep love.

The astonishment in su Wanwan's eyes slowly faded and was replaced with sweetness and happiness.

Since PEI Munian had said that he only loved her, only her, she would believe it. As long as he said it, she would believe it.

Su Wanwan's hands wrapped around PEI Munian's neck. She opened her lips and responded to his passionate kiss. The two of them were deeply entangled together in a posture of being entangled.

They didn't know how long they kissed before the two of them separated, panting. Su Wanwan leaned on PEI Munian's shoulder, gasping for air. Her eyes inadvertently swept to Xiao Zeze in the back seat. He opened his big eyes and stared at them in confusion and curiosity. His innocent and pure eyes made su Wanwan's old face blush.

Oh no, she had taught the child the wrong thing.

Su Wanwan hurriedly pushed PEI Munian and made him sit back down. She tidied up her messy hair, coughed lightly, and said seriously, "Mr. PEI, please mind your image. There are still children in the car."

PEI Munian glanced at Xiao Zeze through the rearview mirror and then at su Wanwan's fake seriousness. She said lazily, "Xiao Zeze has a master like me, it will be useful for his entire life."

".....?"

Mr. PEI, can you be any more shameless?

The next day, Mr. PEI gave the order to remove PEI Munian from her position as the PEI family's CEO. At the same time, he made a statement that PEI Munian had lost her right to inherit the PEI family's business and all of the PEI family's assets.
