"A honeymoon."

These three words, with a hint of sweetness, slowly spread in su Wanwan's ears. She looked up at PEI Munian in surprise and subconsciously asked, " honeymoon? "

yes, we've been married for so long. Not only do I owe you a wedding, I also owe you a honeymoon. So Wanwan, let's go on a honeymoon.

Yes, they had been together for so long, but they had not gone on a honeymoon. The only vacation they had was a year ago, and they had not had enough fun then.

Su Wanwan's eyes were filled with joy. Her eyes were bright and she was about to nod her head when she suddenly thought of something and she frowned.

PEI Munian looked at her mixed expression and asked in confusion, " what's wrong? You don't want to go?"

"Of course not." Su Wanwan hurriedly shook her head, but her eyes were full of worry as she looked at PEI Munian. niannian, I really want to go on a honeymoon with you, but in this situation, is it appropriate for us to go out and play? "

PEI Munian naturally knew what kind of situation he was referring to. The corners of his lips curled up, and he did not care at all. how is it inappropriate? It's rare that I don't have a job, so I can take you to have fun and relax."

Su Wanwan's eyes were fixed on PEI Munian, trying to find some other emotions on his face, but there was nothing at all. He seemed not to have been affected by the statement that father PEI made today.

He wasn't unhappy, so she was naturally happy. However, she was afraid that he would bear the burden in his heart so that she wouldn't worry.

niannian, I'm just afraid that if we just leave like this, dad and mom will be even angrier. Why don't we find a time to have a good talk with them and win their understanding? "

"I'm very happy that you chose me, but I don't want to see you unhappy. I know you love mom and dad very much."

PEI Munian lowered her eyes and looked at the little woman in her arms. Her eyes flickered and the corners of her lips could not help but curve up. The woman he loved was also thinking for him wholeheartedly.

In the past, he almost did not dare to imagine such a scene. He had thought that he would spend the rest of his life in a one-sided love.

The feeling of having a heart-to-heart talk with each other couldn't be better!

PEI Munian's arm tightened and he pulled su Wanwan into his arms. He rested his chin on her head and closed his eyes. He sighed. Wanwan, I'm very happy now. I've never been so happy before.

He was used to wealth, power, and power. In the days without su Wan, in order to numb himself, he desperately chased after these things, but his heart was empty.

He was successful in the business world, so what if everyone was respectful and flattering him? It couldn't even compare to a smile from the woman in his arms.

Wanwan, the knot in mom's heart is too heavy right now. You know, some things can't be solved with just a few words. If you go to her now, you'll either compromise or it'll be useless.

PEI Munian let go of su Wanwan slightly and looked at her. do you want me to compromise? "

Compromise

That was to give up on her and choose his wealth and status to be the most respected PEI family's Crown Prince.

"I'm Yingying." Su Wanwan opened her mouth, but the words stopped when they reached her mouth. Of course, she didn't want him to compromise. How could she be willing to separate from him again? it's just that she hesitated.

Su Wanwan lowered her eyes, the light at the bottom of her eyes was a little complicated. She bit her lower lip and raised her eyes again. niannian, maybe Huahua, maybe you will blame me in the future.
