It was easy to go from frugal to luxurious, but difficult to go from luxurious to frugal. PEI Munian might be able to make such a decision based on her hot-bloodedness, but who knew how long it would last?

Many things could not be resisted by reality. Many men and women who were in love were separated because of the cruel reality and became resentful couples, and their love became hatred. After all, reality was not a fairy tale.

"Blame you?" PEI Munian smiled and flicked her forehead with her long fingers. yes, I'm blaming you now.

Su Wanwan groaned in pain and couldn't help but raise her hand to cover her head.

"Blame you for always letting your imagination run wild, blame you for not giving me any confidence!"

Su Wanwan looked at PEI Munian in a daze. She even forgot the pain and couldn't help but emotionally call his name, " Nian Nian Qian Qian.

"Su Wanwan, remember this. If I give up on you, I will blame myself for a lifetime!"

He was once so hurt and in so much pain, but he never gave up on su Wanwan. It wasn't easy for her to be by his side now, in his arms. They loved each other, no longer misunderstood, no longer suspicious. What was more precious than this? It was so precious that even thousands of gold could not buy it!

Su Wanwan blinked and her nose couldn't help but feel sour.

The feelings that this man had given her seemed to be endless. Why was she so foolish back then? why didn't she see his deep love and miss out on so many years?

Su Wanwan couldn't help but tiptoe and kiss PEI Munian's lips.

There were no words that could express her throbbing and excitement at this moment. With a husband like this, what more could a woman ask for? the person she loved deeply was worth her all the way until now.

PEI Munian was stunned. Then, she smiled and turned the tables. She pried open her teeth and her long tongue went straight in, wantonly tasting the sweetness in her mouth. Su Wanwan couldn't help but moan. PEI Munian's eyes sank and his arms wrapped around su Wanwan's slender waist. He picked her up, stepped over the luggage on the ground, and threw her onto the soft bed. Then, his tall body pressed down.

His kisses landed on her body bit by bit. They were soft and gentle, like the spring breeze blowing. Gradually, they turned into a storm. Wherever they went, people could feel his strong presence.

Su Wanwan was like a small boat thrown in the air, swaying left and right and unable to land. She could only keep clinging to the man on her body.

She knew what was going to happen next. She had been looking forward to this moment for a long time. Her cheeks were flushed red and she was shy. She squinted at PEI Munian's handsome face, as if she was drunk and dreaming.

Unconsciously, the two people's clothes gradually undressed. PEI Munian's kiss went all the way down and gently fell on su Wanwan's lower abdomen. Her whole body trembled unconsciously.

PEI Munian seemed to like her reaction and deliberately teased her, causing su Wanwan to gasp for breath. She was so embarrassed that she was about to raise her foot and kick him.

She had just lifted her hand when it was caught by his hot palm. She wrapped it around his thin waist. He looked up, his eyes were charming and charming, and her heart could not help but tremble.

PEI Munian's lips curled up slightly and she leaned down again. Her large hands held her waist, and his firm and hot body slowly pressed against her.

Su Wanwan subconsciously held her breath. She was a little nervous, a little scared, and faintly exuded anticipation. All kinds of emotions gathered in her heart.

PEI Munian looked at her affectionately. Her thin lips covered hers again and kissed her gently. At the same time, her body sank bit by bit.
