Su Wanwan couldn't help but sigh. She turned around and closed the door. Then, she walked over and sat opposite her.

Yu Jia still didn't notice it. Su Wanwan reached out and knocked on the table. Yu Jia returned to her senses in a daze and looked up at her. Wanwan, why are you here? "

She hid the absent-mindedness in her eyes and straightened her face. are you feeling better? "

I'm fine. There's just some scars that haven't healed yet. I'm here to ask if you have any good ideas.

Su Wanwan's eyes slowly swept across Yu Jia's face and said, " I didn't expect you to look so listless. You have the same expression as Gong Lingyu, who I met at the entrance.

Hearing Gong Lingyu's name, Yu Jia's brows furrowed subconsciously, and his voice turned colder. don't mention him.

Recalling how Gong Lingyu called him 'brother' and seeing Yu Jia's obvious rejection, she couldn't help but speak up for Gong Lingyu. Yu Jia, you said before that you didn't want to try to win him over because you didn't have a place in Lingyu's heart, but I think Lingyu has already let go of his feelings for me and he's unconsciously hanging around you. A man wouldn't stay by a woman's side for no reason, I think. He might have feelings for you."

if ... If you still have feelings for him, I think you can try to accept him and be with the person you love. You'll really be happy.

She had once forced herself to marry someone she didn't love because of her family and her grandfather. She thought that she could live like that for the rest of her life. However, love couldn't be compromised, and marriage was even more so.

After all, it was a lifetime thing. If she couldn't be with the person she loved for the rest of her life, how many regrets would that be?

Yu Jia was silent. After a while, he said, " Wanwan, I don't want to talk about him.

That night, Gong Lingyu had said those words and answered doctor Xu's call to inform him to come and pick her up. She had already given up on him.

Perhaps he treated her a little different, but it was probably because he had slept with her for the first time, so he was a little selfish and possessive. He didn't want to take responsibility for her, but when he saw her with another man, he felt uncomfortable. But that was not love!

When it came to matters of the heart, it was like a person drinking water, only he knew whether it was cold or not. Su Wanwan understood this truth and didn't say anything more. She directly changed the topic, " then how are you and Dr. Xu recently? Are you doing well?"

just like that. He's a good person and is gentle and considerate. He's a suitable husband candidate.

Yingluo gave such an official answer. Can you stop? ” Su Wanwan glared at Yu Jia angrily and then raised her eyebrows. Her eyes were full of the light of gossip, ” let’s be more practical. To what extent have you developed? ” Did you kiss her? Are you asleep?”

“Su Wanwan, is it really good for you to be so dirty? Married women are so scary these days.”

“Come on, you’re a gynecologist and you’re shy with me? Hurry up and tell me, what’s the level?”

Yu Jia pouted and didn’t hide it from her. “Is a kiss on the forehead considered a kiss?”

“.....?”

Su Wanwan was stunned for a few seconds. Her black eyes suddenly widened and she looked at her in disbelief, ” Yu Jia, don’t tell me that you’ve been dating Dr. Xu for several months and you only progressed to kissing Xuxu on the forehead? ”

“Isn’t your development a little too pure?”
