862 A sweet outing (2)

Su Wanwan's lips curved. She raised her hand and waved at Yu Jia, " Yu Jia!

Yu Jia looked over and smiled. Then, she dragged her suitcase and walked towards them.

Standing in front of them, Yu Jia took the lead to greet them. young master PEI, long time no see.

PEI Munian nodded indifferently, no emotion on his handsome face. Yu Jia had long been used to his coldness and didn't feel anything. Anyway, from University until now, PEI Munian had always been cold and distant to other women except su Wanwan.

Su Wanwan looked left and right behind Yu Jia and asked doubtfully, " "Where's doctor Xu? They're not here yet?"

Yu Jia and Dr. Xu had been dating for a few months, but she hadn't had the chance to see Dr. Xu. She thought that if she could see Dr. Xu today, she could help Yu Jia see if Dr. Xu was reliable or not.

I'm sorry, Wanwan. Feng received an emergency notice from the hospital before he left. He needs to undergo surgery, so he can't go.

"No way? Isn't that too much of a coincidence?" Su Wanwan couldn't help but feel some regret. The trip she prepared was ruined just like that. It was such a waste of her thoughts.

"There's nothing we can do about it. There are many unexpected situations as doctors." Yu Jia pursed her lips and continued. so, Wanwan, I won't go either. You go with young master PEI. Have fun.

"Don't."

Su Wanwan reached out to hold Yu Jia's hand and stopped her, " "It's a rare long holiday, are you going to stay at home? Doctor Xu can't go, but you can come with us. You're usually so busy with work that you don't even have time to have fun."

Wanwan, are you serious? you really want me to be your third wheel? " Yu Jia teased and glanced at PEI Munian, who was standing at the side. He smiled and said, " "did you consider your husband's feelings?"

Su Wanwan followed Yu Jia's line of sight and looked at the man beside her. PEI Munian's Black eyes happened to be looking at her, and the expression in the bottom of his eyes did not hide his dissatisfaction at all.

Previously, when su Wanwan said that she wanted to go to the Maldives with Yu Jia, he didn't have any objections. Anyway, Yu Jia was going with her boyfriend, which meant that they were on the same plane and staying in the same hotel. They couldn't interfere with each other.

However, Yu Jia's boyfriend was not here and she was alone. They couldn't just leave Yu Jia in the hotel, but it would be too much of a hindrance if they brought her along.

Su Wanwan ignored the dissatisfaction in PEI Munian's eyes. She smiled and her eyes curved. Her voice was gentle. hubby, you don't mind, right? "

They had agreed to go together, but she couldn't just leave Yu Jia behind. Moreover, Yingluo had secretly informed Gong Lingyu. She informed Gong Lingyu because she had the idea of matchmaking him and Yu Jia.

Although she didn't know if he would go, if he went but Yu Jia didn't, how would she explain it to Gong Lingyu? Moreover, Wanwan might cause PEI Munian to misunderstand. She didn't want PEI Munian to misunderstand that Gong Lingyu and her were still in a relationship.

So, whether it was for her or Yu Jia, she had to persuade Yu Jia.

The corners of PEI Munian's lips curled up, and she put on a fake smile.

Su Wanwan couldn't help but feel anxious and kept winking at him. In the end, she even reached out and pinched PEI Munian's waist hard. Her voice became gentler. hubby, let's go with Yu Jia, okay? "

PEI Munian raised her eyebrows and still didn't speak. Su Wanwan could only blink her big eyes, a pleading look floating in her eyes.
