864 A sweet outing (4)

Gong Lingyu raised his hand and his black eyes swept towards Yu Jia without a trace. Then, they fell on su Wanwan's face. yes, I'm a little tired of staying in L city, so I came out for a walk.

"Oh, I see. Did you come alone?"

"Yes."

"Did you book a hotel? Where do you live?"

Gong Lingyu nodded and uttered the name of a hotel.

"We're also this hotel." Su Wanwan clapped her hands exaggeratedly and her black eyes were bright. since we're so fated, why don't we take a walk? "

Before su Wanwan could finish her words, the arm around her waist tightened. PEI Munian looked down at her with a fake smile and said in a cold voice, " what a coincidence.

Su Wanwan's back was slightly cold, but she still maintained a smile. it's really such a coincidence. We came to the same place for vacation and booked the same hotel.

PEI Munian looked at su Wanwan lying through her teeth and couldn't help but sneer. coincidence is coincidence. There's no need to go together. Let's just play on our own.

"What are you saying! How can you treat your own brother like this?"

Su Wanwan covered PEI Munian's mouth without any explanation and said to Gong Lingyu, " Lingyu, come back to the hotel with us. Our car is already here to pick you up.

PEI Munian glared at her. Was this woman going to cheat on her husband in front of him? She actually dared to invite her old lover to go on a trip together?

"Su Wanwan!" PEI Munian pried su Wanwan's hand away and gritted her teeth as she roared in her ear.

Su Wanwan didn't have time to explain anything to PEI Munian at the moment. She could only hold his arm and drag him to the car. let's go, let's go. We'll go back to the hotel first. Lingyu, Yu Jia, follow me.

Yu Jia stood still. After she came back to her senses, she didn't know if she should be angry or laugh. She thought it was strange that Dr. Xu couldn't come at the last minute, so why was she so eager to ask her to come? so she had other intentions.

She had come here to get some peace and quiet, but he had actually come after her.

Gong Lingyu took a step forward and looked at Yu Jia's delicate face with his dark eyes. Perhaps it was because she was traveling, she had put on a little makeup and her hair was braided into a long braid in front of her. With the light-colored Bohemian Long Dress on her, she looked ethereal and beautiful, making people's eyes light up.

Gong Lingyu opened his mouth and was about to greet Yu Jia, but Yu Jia didn't even look at him from the corner of his eyes. He dragged his luggage and walked towards the car.

The smile on Gong Lingyu's face froze for a moment, but he quickly returned to normal. He strode forward with his long legs and followed her. Yu Jia, let's go together!

The chauffeur greeted PEI Munian respectfully and placed their luggage in the trunk of the car.

Su Wanwan's Black eyes swept over Yu Jia and Gong Lingyu. Slyness flashed in her eyes. She opened her mouth and wanted to arrange for them to sit together in the back seat. However, Yu Jia seemed to be aware of her intentions. She took the lead and opened the door of the front passenger seat and sat directly in.

The words in her throat were stuck. Su Wanwan swallowed her saliva and could only say: "Lingyu, sit in the back."

"Alright," he said.

Gong Lingyu opened the door of the back seat and got in. Su Wan bent down and was about to sit in when her back collar was suddenly grabbed. A force pulled her back and she fell into the man's arms.

Without hesitation, PEI Munian flung the car door open and said to the driver, "Let's start the car."

The driver responded, started the engine, stepped on the gas, and drove away.
