865 A sweet outing (5)

Su Wanwan's long, curly eyelashes trembled, then she blinked a few times and said awkwardly: "You, why did you ask the car to drive away? We, we haven't even sat in it yet."

"Aren't you trying to matchmake Yu Jia and Lingyu? Isn't this just giving them some space to themselves?"

PEI Munian paused and turned the woman in his arms around. He narrowed his eyes and stared at her. His voice was cold. "You haven't forgotten your old feelings for him and want to get back together with him?"

Su Wanwan's scalp went numb from PEI Munian's gaze and she shook her head reflexively.

Gong Lingyu was not like brother Ziwei. Brother Ziwei was only pretending to be ambiguous with her, but PEI Munian was already so jealous. On the other hand, Gong Lingyu had once flirted with her. It was easy to imagine how jealous PEI Munian would be.

absolutely, absolutely not. I'm just Yingluo. I just want to match Yu Jia and Lingyu together. Su Wanwan hurriedly explained, her tone very firm.

Then, she softened her voice and continued in a flattering tone, "Niannian, you're so smart. I don't need to explain to see it ~"

"So, you were the one who contacted Gong Lingyu and asked him to come? You're still in contact with Gong Lingyu?"

As expected, she had to settle the score later. Fortunately, she had dragged Yu Jia over, otherwise, she would not be able to clear her name even if she jumped into the Yellow River.

niannian, I only contact Lingyu occasionally for Yu Jia. It's really only occasionally, no, twice. Yes, just twice, and it's all about Yu Jia. I have nothing to do with Lingyu anymore.

As su Wanwan spoke, she shook her head again. no, it should be that after Lingyu and I dissolved our marriage, we have always been good friends. There is no ambiguity.

"No?"

PEI Munian's dark eyes were deep and a strange glint flashed past them. "didn't you say that you loved Gong Lingyu? have you forgotten about him so quickly?"

Even if their minds were connected now, PEI Munian's handsome face couldn't help but be covered with a thin layer of ice when she thought of the past scenes. The eyes she looked at su Wanwan with became sharper.

"That, isn't that just words of anger? You know it too, I fell in love with you at first sight, and you're the only one in my heart. I can't take in anyone else. Lingyu is a good guy, but no matter how good he is, he's not the one I love. The one I love is you."

Su Wanwan stood on her toes, put her arms around PEI Munian's neck, and kissed her with her red lips. so, my dear, please forgive me.

The anger at the bottom of PEI Munian's eyes was repelled by su Wanwan's gentle kiss. No matter how big the anger was, it disappeared. He curved his lips and kissed her back.

After the two of them separated, panting heavily, PEI Munian hugged the woman who had collapsed in front of her. Her thin lips moved close to her ear, and her voice was hoarse and magnetic, strong and domineering. you're not allowed to contact any other man besides me.

Su Wanwan raised her head in PEI Munian's arms. She was still a little breathless and the corners of her lips curled up slightly. She said softly, " you too. Other than me, you're not allowed to contact any other woman in the future.

Su Wanwan's hand grabbed PEI Munian's lapels and pulled him down with force. Her red lips came close to his ear and she said word by word, " PEI Munian, you belong to me, su Wanwan, only me.

"If other women dare to covet you, kill them without mercy!"
