Su Wanwan nimbly jumped off the back seat of the bicycle and threw a sentence to PEI Munian. wait for me, I'll be back soon. He hurriedly squeezed into the crowd.

PEI Munian stood there, her eyes following her figure, a trace of confusion in her eyes.

What was this woman up to now?

Su Wanwan ran into a store and her eyes quickly swept over the things inside. She pointed at what she liked and said to the boss: "Help me wrap it up, thank you."

PEI Munian looked at the woman who had rushed back and panted slightly. There was a paper bag in her hand and he raised his eyebrows. What's this? "

Su Wanwan immediately hid the paper bag behind her and shook her head. it's a secret.

PEI Munian's Black eyes narrowed, but she sat in the back seat without any explanation and urged, "Niannian, let's go, let's go. I'm hungry, let's go eat."

PEI Munian glanced at the paper bag but did not probe further. He rode his bicycle again and smiled."What do you want to eat?"

"Oh, let me think, Yingluo."

Su Wanwan muttered to herself, her eyes constantly glancing at the restaurants on both sides. Finally, she saw a restaurant decorated with an extremely stylish style by the beach. She raised her hand and pointed. niannian, let's go to that restaurant. The decoration looks so good.

PEI Munian shook her head and laughed. you didn't choose a restaurant with good taste but a well-decorated one? "

"Of course, in this world where looks are the most important, looks are the king, okay? The decorations are good, so the food must taste good too!"

".....?"

As soon as the car stopped, su Wanwan couldn't wait to rush in. PEI Munian put both hands in his pockets and followed her lazily. Although he was dressed casually, it couldn't hide his outstanding temperament and innate nobility. As soon as he walked in, he attracted the attention of all the women in the restaurant. They were all amazed and couldn't hide the amazement in their eyes.

Su Wanwan also seemed to be aware of all the women's gazes. She frowned and quickly turned around and walked back. She reached out to hold PEI Munian's hand and pulled him to her side. She even tiptoed and leaned close to his ear, saying fiercely, " PEI Munian, you're not allowed to attract bees and butterflies. Be careful.

PEI Munian was amused by su Wanwan's words. A smile bloomed at the corner of her lips, but she said innocently, " "I didn't do anything."

His smile seemed to be able to steal the soul. The women unconsciously sucked in a breath of air, and the eyes that were glued to him became more and more fiery and naked.

"Tsk, your face is the biggest disaster!" Su Wanwan said indignantly, wishing she could directly cover his face with a piece of cloth.

"Oh? Then who was the one who said that looks were King? How did you become the biggest scourge now?"

".....?" This was what it meant to smash one's own foot with a stone.

Su Wanwan puffed up her cheeks, her beautiful big eyes were round, and she looked at him angrily. She was blocked by him and couldn't reply.

In the end, su Wanwan flew into a rage out of humiliation. I'm not eating anymore!

She turned around to leave, but her wrist was grabbed. In the next second, she was pulled by that force, and her whole body turned half a circle. Then, the man's hand held her face, and his thin lips kissed her.

Su Wanwan's eyes widened in shock, her black pupils contracting slightly.

The man's tongue had already unceremoniously slipped into her slightly opened red lips, hooked her lilac snake, wrapped around it, and kissed her passionately.
