

Deeply 869

869 A sweet outing (9)

Following this kiss, the women in the restaurant were all stunned and regretful. They could almost hear their hearts breaking.

After su Wanwan reacted, the corners of her lips rose and her eyes flickered like the most beautiful stars in the night sky. Her hands wrapped around PEI Munian's waist, she raised her head, opened her lips, and passionately responded to his kiss. She learned from him and deeply entangled with him.

The surroundings seemed to have quietened down at this moment, and it was as if they were the only ones left in the world.

In front of everyone, the two of them had a French Kiss. At the end of the kiss, there were people whistling and cheering before they separated, panting.

Su Wanwan's fair cheeks were flushed red as she shyly snuggled in PEI Munian's arms. She didn't dare to look at the surrounding gazes and gave PEI Munian a strange look. In a hoarse voice, she said, "there are so many people here. Why don't you take a look at the occasion? everyone is looking at us, Yueyue.

PEI Munian lowered her eyes and her burning gaze fell on her blushing face and her lips that had turned red from his kiss. Under the light, they looked as delicious as jelly, tempting people to bite down and swallow them.

His long fingers caressed her lips and he raised his eyebrows slightly. His voice was lazy but extremely seductive. you don't like it? "

Su Wanwan pursed her red lips. Although she was shy, she still couldn't hide the throbbing in her heart. She covered her face with both hands and said in a muffled voice, "I like it.

After a pause, she suddenly stood on her tiptoes and pressed her red lips against PEI Munian's ear. She said clearly, "I like it very much.

Then, she quickly planted a kiss on PEI Munian's face and walked towards the dining room.

PEI Munian's hand could not help but cover her face. Her fingertips gently touched the place where she had been kissed. It still had the warmth of her lips. He smiled.

Su Wanwan, this woman, really didn't know how to spell the word "reserved." However, Huahua just liked her unreserved nature. He smiled and followed her in with his long legs.

PEI Munian and su Wanwan found a seat by the window and sat down. As soon as they looked out, they could see the deep blue sea. The restaurant was suspended on the sea, so it felt like they were eating on the beach.

The restaurant was a buffet-style restaurant.

Su Wanwan's stomach was already growling from hunger. PEI Munian poured her a glass of water and pushed it in front of her, saying softly, "What do you want to eat? I'll get it for you."

“No need, I’ll go by myself! I’m starving, I want to eat a lot, a lot! Wait for me, I’ll bring you something to eat.” Su Wanwan picked up the cup and took a sip. Then, she got up and strode towards the dining area.

PEI Munian looked at her hurried steps and couldn’t help but smile. Then, he picked up su Wanwan’s Cup and took a sip.

He turned his face to the side and looked at the scenery outside. The sky was gradually getting dark, and the lights of thousands of houses were lit up. The lights were bright and beautiful, but the crowd on the beach did not decrease at all. There was a faint Sound of Music, and the people on the beach were twisting their bodies, singing, and dancing. The huge beach was full of people and very lively.

He stared at it, and the light in his eyes flowed as if something had passed by. His eyebrows moved slightly, and some thoughts floated in his mind.

Suddenly, a figure walked over and sat opposite him. PEI Munian turned around and her black eyes fell on the woman opposite her. She raised her eyebrows slightly and her lips curled up in a playful manner.
