870 A sweet outing (10)

Sitting opposite him was a blonde, blue-eyed white hot girl. She was wearing a tank top and hot pants, and the waves on her chest were about to burst out. She raised her hand and played with her long blonde hair. With her elbow on the table, she leaned towards PEI Munian and looked at him with an ambiguous gaze, not hiding her admiration. you're so sexy. Her voice was hoarse, and there was an obvious hint in her words.

PEI Munian's lips twitched, but there was no smile on her handsome face.

However, his appearance added an aura of abstinence, making people have a desire to conquer him. The woman looked at him with more infatuation, and her body was half soft.

PEI Munian did not say anything. She thought that he was worried about the woman he had brought over. She had also seen them kissing at the door just now, and the White hot girl was very clear about it.

She took the tissue from the dining table and took out a lipstick from her bag. She wrote her phone number on the tissue and applied some lipstick. She then held the tissue and pressed it against her red lips before handing it to PEI Munian.

The series of actions she did were extremely alluring. Every action was extremely seductive, and she even winked at him.

PEI Munian laughed awkwardly and her face gradually turned cold. Her thin lips opened slightly and she was about to speak when she saw from the corner of her eye that su Wanwan was walking back with the plate.

He pursed his thin lips and swallowed his words. He picked up the glass of water and took another sip. He raised his eyebrows and reached out to take the tissue from the hot white girl.

When his fingers were about to touch the tissue, su Wanwan had already rushed up and slammed the plate on the table. With a bang, the next second, she had already snatched the tissue. When she saw the phone number and red lip print on it, the fire in the bottom of her eyes quickly rose and burned.

When she was picking up her food, she saw the two of them sitting here and talking. She originally thought that the White hot girl was just asking for directions or something, but in the end, she leaned closer and closer, and with all kinds of gestures, it was obvious that she was not asking for directions, but hitting on, no, seducing!

And PEI Munian actually didn't drive her away and even talked and laughed with her. Su Wanwan was so angry that she immediately raised her feet and rushed back.

Her real wife was here, and she actually dared to seduce her man?

The hot white girl was shocked by su Wanwan's rough action. She covered her mouth and couldn't help but cast a sympathetic look at PEI Munian. handsome, your female partner is too rough. Why don't you give up on her and come with me? I'll let you enjoy the ultimate pleasure.

As soon as the words fell, su Wanwan sneered, clenched her hand into a fist, and directly crossed it in front of the White hot girl. She glared at her and said with a fake smile, pausing after each word, " do you want to leave now, or do you want to be beaten up by me before you leave? "

The hot white girl shrunk her neck in fear and blinked pitifully at PEI Munian for help. handsome, do you want a woman like this? It's too scary."

"Yeah, it's quite scary." PEI Munian nodded in agreement.

The hot white girl's eyes were filled with joy, and her gaze on him became more and more passionate.

PEI Munian glanced at su Wanwan from the corner of her eyes, then her gaze returned to the face of the White hot girl. Her black eyes stared at her, the corners of her lips curved up, and her voice was hoarse and sexy as she spat out word by word, " so, you want to leave now? Or do you want to be beaten up by the two of us before you leave?"
