".....?"

The hot white lady's gaze turned from infatuation to disbelief, and then from disbelief to anger. She was very dissatisfied with PEI Munian's poor taste, but she did not dare to stay here. With a cold snort, she got up and left.

She had only taken two steps when PEI Munian's voice came from behind her. wait.

The hot white girl's lips curved up. She knew that no man could resist her seduction. Now, this man was going to regret it?

She turned around triumphantly and raised her chin proudly. She was about to speak when PEI Munian said to su Wanwan, " "Tell her to take her rubbish away. Don't throw it everywhere."

Trash?

Su Wanwan was stunned. Then, she looked at the tissue in her hand and suddenly understood. She held back her laughter and handed the tissue to the White hot girl. take the trash away.

The hot white girl's face suddenly changed. She pulled the paper towel hard, crumpled it into a ball, and left in her high heels.

Su Wanwan originally had a stomach full of fire. Seeing her like that, she burst out laughing.

"Niannian, you're so evil." With just two words, he could drive someone to their grave. With this comparison, she suddenly felt that the words he had said to her in the past were not as vicious.

PEI Munian raised her eyebrows and said in all seriousness, " "I just want to make Madam smile."

Su Wanwan smiled until her eyes curved into two crescent moons. She sat down and took out the things on the plate. Then, she forked a small piece of Apple and fed it to PEI Munian. be good, this is your reward.

"I'd rather accept this Kasaya than this reward."

PEI Munian got up, leaned forward, and pinched su Wanwan's chin with his five fingers. He lifted her face and his thin lips came down to kiss her.

Su Wanwan's cheeks were pink and she smiled at him. She raised her hand and gently pushed him away. I'm going to eat. I'm starving.

"Let's eat,"

Yu Jia didn't refuse to go out for a walk because she was dizzy from the plane ride, but because she didn't want to go out and see Gong Lingyu. She was upset and particularly frustrated whenever she saw him now, but he could always easily stir up her calm heart and make her think about things she shouldn't think about.

It was just that it was too stuffy to stay in the room all the time. Furthermore, the food on the plane was not delicious, so she did not eat much in the afternoon and was a little hungry. She thought that Gong Lingyu should have gone out for a stroll at this time, right? Then she would go out for a walk and come back after having a meal.

Yu Jia took a shower, changed into a comfortable shirt and jeans, picked up her bag, and walked to the door.

Unexpectedly, the moment she opened the door, the room opposite seemed to sense it and opened the door as well. Gong Lingyu walked out with a bottle of medicinal oil in his hand.

As if it was really a coincidence, Gong Lingyu smiled at Yu Jia and said, " Yu Jia, I was just about to come to you. I heard that you have airsickness and a headache. I brought some medicated oil. It's very effective. You should put some on.

Yu Jia glanced at his face and looked away coldly. no, I'm fine. You can keep it for yourself!" After saying that, she closed the door and walked straight out.

Gong Lingyu was quick to react. He reached out and grabbed Yu Jia's wrist.

Yu Jia's cold eyes shot over like a sharp blade, shocking Gong Lingyu so much that his heart trembled. He couldn't help but recall the scene of her punching him that day, and his hand subconsciously wanted to let go.

However, in less than a second, he clenched his fists again.
