

## Deeply 874

874 Niannian, you're so handsome (4)

Before Gong Lingyu could recover from the wonderful kiss, he was already kneeling on the ground from Yu Jia's kick. He clutched his calf, his facial features scrunched up in pain as he said angrily, "Yu Jia! That's enough!"

Yu Jia was even angrier than him. She glared at him as if she could see through his body. She wiped her lips hard and wanted to say something, but in the end, she turned and ran out without saying a word.

"Yu Jia!" Gong Lingyu called out to her subconsciously, but she ran out without looking back. Gong Lingyu cursed under his breath, endured the pain, stood up, and chased after her in large strides.

Yu Jia ran very fast and ran out of the hotel in the blink of an eye. She ran towards the beach in front of the hotel. Gong Lingyu kept running after her until he was panting.

What kind of woman was this? It's fine that he's more ruthless than men when it comes to beating people up, but now he can even run faster than men?

As Yu Jia was wearing high heels, she gradually slowed down as she stepped on the soft sand. She even accidentally tripped on something and her body fell to the side.

Gong Lingyu's eyes turned cold. He rushed forward in a few steps and stretched out his long arms to hold her.

Seeing that it was his hand, Yu Jia didn't appreciate it and pushed the arm away with force. Gong Lingyu reached out again, and in the midst of their entanglement, the two of them fell on the beach.

Gong Lingyu fell on the ground while Yu Jia fell on top of him. Something on the beach seemed to have stabbed his back, and he groaned, but his voice was extremely low.

Yu Jia quickly got up from his body and was about to continue walking when Gong Lingyu hurriedly grabbed her wrist and held it tightly. He said in a hurried tone, "Yu Jia, stop running.

He swallowed his saliva and continued while panting, "You're a woman, how can you run so well?"

"Let go!" Yu Jia opened his mouth coldly and didn't even glance at him. don't you think you've been beaten enough? "

Yu Jia shook his hand hard, but Gong Lingyu's strength increased instead of decreasing. He even pulled Yu Jia to sit down. He took her hand and hit his chest. hit me, hit me. I'm a bastard. I shouldn't have kissed you so casually. I'm just Yingluo. Gong Lingyu wanted to explain his actions at that time, but he couldn't find a reason. He also didn't understand why he kissed her in a daze at that time.

Unable to defend himself, Gong Lingyu could only admit his mistake. go ahead and hit me. I'll hit you until you're no longer angry!

Cool down?

Hehe hehe

Yu Jia's lips curled up, but she couldn't even force out a smile. She looked at Gong Lingyu's Rascal-like appearance and seemed to be unable to even get angry.

She took a deep breath and suppressed the mixed emotions in her heart. She raised her eyes and fixed her gaze on his face. She said word by word, "Gong Lingyu, what exactly do you want?"

If he didn't like her, why did he always come to her? why did he always pester her? why did he always try to shake her heart?!

After Su Wanwan and PEI Munian had dinner, they walked out of the dining room. Su Wanwan touched her full stomach and frowned in discomfort. niannian, I'm so full right now. It's so uncomfortable. Why didn't you stop me from ordering?"

PEI Munian looked at her helplessly. I didn't stop her? Who was the one who looked like a Hungry Ghost?"

"Niannian! Who was the reincarnation of a Hungry Ghost? I dare you to say that again?"

Su Wanwan was so angry that she scratched PEI Munian. PEI Munian stretched out her arms and hugged her tightly in front of her. She couldn't move.

Su Wanwan was about to struggle when a shrill cry for help suddenly came to her ears.
