In the nick of time, the man's wrist was grabbed. The next second, his wrist was twisted by a strong force, and he cried out in pain.

Su Wanwan looked at the man in front of her. He descended in front of her like a god. Su Wanwan shouted excitedly, " niannian!

She was really scared to death just now. Fortunately, he appeared in time!

PEI Munian flung the man's hand away, and the man staggered and fell back. PEI Munian reached out to pull su Wanwan. Seeing her bring her to her side, she sized her up with her black eyes. are you okay? "

"I'm fine!" Su Wanwan shook her head.

PEI Munian pulled su Wanwan behind him and opened her black eyes lazily. She glanced at the two men in front of her and a murderous look flashed in her eyes.

The two brawny men didn't expect that one of them would suddenly jump in. They sized up PEI Munian and had a look of disdain on their faces. The brawny man whose wrist had been twisted by PEI Munian earlier stepped forward and said arrogantly, " "Where did this pretty boy come from? If you know what's good for you, get lost immediately and we'll let you go."

"Ha."

PEI Munian tugged at the corner of her lips, as if she had heard something funny. He twisted his neck and cracked his knuckles. Then, he turned around and spoke softly to su Wanwan, " stand further away and watch the performance.

Su Wanwan nodded obediently, turned around, and walked far away. She stood at the corner of the wall and warned, " niannian, be careful.

PEI Munian nodded her head coolly, raised her chin, and blinked.

Seeing that PEI Munian was ignoring him, the burly man's anger surged. He clenched his fist and swung it at her. since you're looking for death, I'll fulfill your wish!

His fist was accompanied by a sharp wind as it came straight for PEI Munian's face. PEI Munian sneered and raised her hand, accurately holding his fist. Then, she kicked the burly man's abdomen without any restraint.

The burly man groaned and knelt down. PEI Munian gave him a side kick, hitting his neck. The burly man fell to the ground, clutching his stomach and screaming in pain.

The other brawny man was also enraged when he saw his companion fall, and he rushed over fiercely.

He threw a punch at PEI Munian. In a flash, he reached out to the brawny man and grabbed his shoulder, lifting him up and throwing him over his shoulder.

Before the strong man could even react, he was already thrown to the ground. He was in so much pain that he could not get up.

Su Wanwan was extremely excited and overjoyed.

She had never known that PEI Munian was so good at fighting. She was just like those male leads in television dramas who were highly skilled in martial arts. With a few moves, she had ko-ed all the bad guys. His fighting posture just now was simply too handsome.

Su Wanwan's eyes were filled with pink bubbles. She happily ran towards PEI Munian and clapped her hands in admiration. niannian, you're so handsome, so amazing!

Who knew that when su Wanwan ran towards PEI Munian, the strong man from the alley also ran out quickly and was behind PEI Munian in two or three steps.

He raised his hand, the dagger in his hand suffused with an ice-cold light. Su Wan was so shocked that her heart almost stopped. Her black pupils suddenly contracted and she screamed, " niannian, be careful, be careful behind you!

The dagger in the burly man's hand was already stabbing towards PEI Munian.

Su Wanwan's eyes widened in shock and she almost couldn't breathe. niannian!
