She panted and said, " niannian, Yingluo can't do it now!

".....?"

The fire of desire in PEI Munian's eyes had not subsided. She stared at su Wanwan more and more fervently. During this time, she pushed him again and again, and he had already endured it to the extreme.

why not? is it because of the scars on your back that haven't faded? "

PEI Munian's breathing was equally rapid. The heat of her breath on her face seemed to be able to set people on fire. Wanwan, I said I don't mind.

"But I mind!"

"But I mind!"

Su Wanwan grabbed PEI Munian's hand tightly, as if she was afraid that he would break free. She swallowed her saliva and negotiated, " niannian, it's almost done. Just wait for two more days. You'll be fine in two days.

Two days?

"No, I don't want to wait another second."

PEI Munian pulled back her hand and lifted su Wanwan's nightgown. Su Wan's hand grabbed her collar hard and fought with him. niannian, I gave you a chance before, but you didn't cherish it. How can you force yourself on me now? if you keep doing this, I'll call it molestation.

"Yes, you can."

PEI Munian pinched su Wanwan's chin and pretended to be a dandy as she teased her. no one will come to save you even if you scream until your throat breaks, so you should just submit to me.

Su Wanwan was amused and quickly restrained her smile. She pulled a taut face and looked as if she was not afraid of death. master, I swear to protect my chastity even if I die. Don't even think about getting away with it!

PEI Munian was stunned. Su Wanwan took advantage of this moment and raised her hand to push him hard. PEI Munian was caught off guard and was pushed to the side. Su Wanwan quickly got up and climbed up to the other side of the bed.

However, the next second, her bare feet were grabbed and su Wanwan was quickly dragged back. want to run? Hmm?"

The man's tall and strong body once again pressed her under him and firmly trapped her. Su Wanwan couldn't break free. While entangled, she felt the heat in his lower body change a little and was

dangerously pressed between her legs. Su Wanwan was so scared that she didn't dare to move. She blinked her big eyes timidly and looked at him.

Being looked at by su Wanwan like this, PEI Munian's whole body was on fire, making him want to press su Wanwan down, ruthlessly break into her body, and gallop wantonly.

PEI Munian's eyes darkened and a storm seemed to be brewing in them. His breathing grew heavier and his large palm covered the woman's eyes. His hoarse voice was full of restraint. Wanwan, if you keep looking at me like this, I really won't be able to hold it in anymore, Hanhan.

Su Wanwan blinked her eyes in the dark. Her long, curly eyelashes brushed past his palm, like a feather tickling his heart. PEI Munian cursed in her heart and quickly retracted her hand as if it was scalded by hot water.

This woman was really a Vixen, a Vixen that he could not stop.

PEI Munian took a deep breath and slightly propped up his body. His black eyes fell on su Wanwan's face. His eyes struggled for a while before he opened his mouth with difficulty and said word by word, "one day.

The two words that came out of nowhere made su Wanwan puzzled. huh? " A sound.

"I'll endure one more day!" PEI Munian repeated. Every word she said seemed to contain a heavy determination.

Su Wanwan raised her eyebrows. one day, Huahua.

The scars on her back should still be faintly visible, right?

"You don't agree?" PEI Munian raised her brows and did not seem displeased at all. Instead, she smiled and said, "If you can't do it for one day, then do it now."
