PEI Munian walked over from behind with her hands in her pockets. She stood there elegantly and looked at her with her dark eyes. Wanwan, are you trying to break down the door? ”

Su Wanwan looked at him from the side. Her eyes lit up and she gave up her seat. She said to PEI Munian, ” “Niannian, come and help me kick the door open. I must drag her out today.”

“.....?”

“Hurry up.” Su Wanwan nodded at him with her chin and then motioned.

PEI Munian shook her head and laughed. are you serious? ”

“Of course! It’s such a waste to lock herself in the hotel room. She’ll definitely see Lingyu while she’s here. How long is she going to hide?” As su Wanwan spoke, she couldn’t help but shout at the door, ” Yu Jia, if you really don’t care as you say, then you should act like you don’t care!

If you really don’t care, then act like you don’t care.

Su Wanwan’s words slowly entered Yu Jia’s ears. She, who was standing behind the door with her back against the door, was slightly startled. Her eyes showed a trace of complexity and a trace of struggle.

Her words were indeed not wrong. Every time she said not to care about Gong Lingyu, her actions showed that she cared about him. Otherwise, she would not have needed to avoid him.

It was impossible for her not to see Gong Lingyu within a short period of time. Even after he returned to the country, he could always appear in front of her from time to time. Did she have to run away or hide in a panic every time he appeared? If he didn’t, she would never be able to let go and would always be troubled by him.

If she didn’t want to be swayed by him and be affected by his emotions, she had to ignore everything about him. No matter how he swayed in front of her, she could turn a blind eye to it. This way, Qianqian really didn’t care.

Su Wanwan saw that there was still no sound inside. She simply walked over, held PEI Munian’s arm, and dragged him to the door of the room. “Niannian, go!”

“Wanwan, am I a dog?” PEI Munian didn’t know whether to laugh or cry. if Yu Jia doesn’t want to go out, you can just let her stay in the room. Why do you have to force her? ”

Aiya, stop talking nonsense. Just kick the door open for me!

She wasn’t a nosy person, but she had been friends with Yu Jia for many years and she knew what Yu Jia was thinking. He just didn’t dare to face it. She seemed to be decisive, but because she thought too much, considered too much, and weighed too much, she became overcautious and hesitant. She was actually more cowardly than her.

She had gone through the pain of cowardice and didn’t want her to experience it, so she had to help her. She had to face it and end it completely, or bravely move forward. That was her own choice.

This woman, Yingluo.

PEI Munian's lips curled up. His eyes were filled with helplessness and love. He raised his hand and patted her head. Then, he turned to the door and was about to knock.

The door was suddenly pulled open from the inside, and Yu Jia's slender figure came out from behind the door. She compromised, " you don't have to kick me. I'll go and have breakfast, okay? "

Su Wanwan immediately bloomed into a smile and stepped forward to hug Yu Jia. that's right! Such beautiful scenery, such good weather, why are we still staying in the room? let's go, I'm so hungry, let's go have breakfast!"

I'm really scared of you. You even kicked the door. Fortunately, young master PEI isn't as violent as you! Yu Jia complained. Su Wanwan naughtily stuck out her tongue at her.
