Yu Jia pushed her away and looked at PEI Munian with a smile. He teased, " young master PEI, is she usually like this? You use violence at every turn."

The corners of PEI Munian's lips curled up, but she did not answer. She just stretched out her arm and presented it to Yu Jia, asking lazily, " what do you think? "

The teeth marks on it were clearly visible. Yu Jia looked up and saw the bite marks on the side of PEI Munian's neck. She could not help but laugh and raise her eyebrows. it seems like the battle between you two is very intense.

Yu Jia's gaze immediately returned to su Wanwan and scanned her from head to toe. Wanwan, can you also explain to me what happened between you and young master PEI last night? "

".....?"

Su Wanwan's cheeks immediately flushed red from Yu Jia's teasing. w-nothing happened.

"Come on, nothing happened. Why are you blushing?"

".....?" Had she shot herself in the foot again?

Su Wanwan couldn't refute Yu Jia and flew into a rage out of humiliation. She rushed in front of PEI Munian and slammed her fist in front of him. it's all because of you. Quickly help me explain it clearly.

PEI Munian held su Wanwan's fist and wrapped it in her palm. She lowered her head and kissed the back of her hand. Her voice was low and hoarse. how do you explain the facts? "

The truth?

Instead of explaining for her, he said something that could be misunderstood?

Su Wanwan couldn't help but clench her teeth. PEI! Mu! Read it!"

Yu Jia was amused by the two people in front of her. Their flirtatious looks were full of happiness, which warmed her heart and made her heart ache.

Yu Jia complained,"Hey, hey, hey, it's so early in the morning. Can you two be more careful?" I haven't even had breakfast yet, and you're already feeding me dog food. Can't you guys let me have a good breakfast?"

As he spoke, Gong Lingyu opened the door and walked out.

Without the dispirited look of someone who had just woken up, Gong Lingyu returned to his usual handsome self. He was wearing a casual sportswear Suit with Beach Sandals, which was comfortable yet fashionable. His eyes lit up when he saw it.

"Brother, Wanwan, morning." He first greeted PEI Munian and su Wanwan, then his gaze fell on Yu Jia. He paused for a second and said, " Good Morning, Yu Jia.

Even he did not realize how gentle his voice was when he called Yu Jia's name.

"Morning, Lingyu!" Su Wanwan responded happily. Yu Jia stood at the side and pretended not to hear, so she quickly reached out and tugged at her. Yu Jia's Black eyes quickly swept over Gong Lingyu and replied perfunctorily, " morning.

"Alright, everyone's finally here. Let's go for breakfast!"

Su Wanwan took Yu Jia's arm and led her forward. PEI Munian and Gong Lingyu smiled and followed behind them with their long legs. As su Wanwan walked, she unknowingly pushed Yu Jia towards Gong Lingyu.

At first, Yu Jia didn't notice it. When she tilted over, she stepped aside. By the time she reacted, she had been pushed by su Wan to Gong Lingyu's side, and her shoulder was already touching his shoulder.

Yu Jiazhen didn't know whether to be angry or laugh. Wanwan, you don't walk in a straight line, but diagonally? "

"Ah? Did I?" Su Wanwan blinked her big innocent eyes. maybe I was too tired from playing yesterday. My legs still don't have much strength today. Then I'll let Nian Nian take me away. You and Lingyu can go together.

Su Wanwan quickly blinked at Gong Lingyu, then forcefully pushed Yu Jia towards him before retreating to PEI Munian's side.
