“Wanwan!” Yu Jia frowned and called out.

However, su Wanwan had already returned to PEI Munian’s side and reached out to hold his waist. PEI Munian laughed and his arm also wrapped around su Wanwan’s waist, pulling her in front of him. His thin lips moved to her ear and lazily said, “Wanwan, aren’t you being too obvious?”

“Who cares, it’s good that it’s useful!” Su Wanwan raised her small face, the light at the bottom of her eyes was brilliant and dazzling.

PEI Munian pinched her chin with her long fingers and then tapped her nose. naughty!

Yu Jia helplessly turned her head back, but she didn’t even look at Gong Lingyu beside her. Instead, she quickened her pace. However, as she sped up, Gong Lingyu also sped up. They kept walking side by side the whole time. She gritted her teeth and tried her best to keep a distance from Gong Lingyu.

Just treat him as non-existent, non-existent, non-existent!

The group of people came to the dining room and found a seat by the window. PEI Munian and su Wanwan sat on one side of the sofa, while Yu Jia could only sit on the opposite sofa. Then, Gong Lingyu sat down next to her.

The breakfast was still buffet style. PEI Munian looked at su Wanwan and said, “What do you want to eat? I’ll get it for you.”

“Let’s go together!”

Su Wanwan pulled PEI Munian up and said to Gong Lingyu and Yu Jia, “We’ll go get the food first. You two stay here and take a seat. You can go get the food later.”

Without giving Yu Jia A chance to refute, she held PEI Munian’s hand and quickly walked to the dining area.

“Wan Wan Wan Wan. Yu Jia only had time to shout one word before su Wanwan and PEI Munian had already walked far away. She clenched her hands slightly and bit her lower lip.

There were only the two of them left in the seats, and it suddenly quieted down. Yu Jia tilted her body and looked at the floor-to-ceiling window. She looked at the scenery without a word.

Gong Lingyu looked at the woman who had her back to him and frowned slightly. After he had thought it through last night, he really wanted to talk to her, but her awkward attitude really made him feel a little defeated.

He opened his mouth and called in a low voice, “Yu Jia, our Yueyue.

“Don’t talk to me!” Yu Jia interrupted him coldly and said without looking back, “I told you yesterday that we’re not close, so it’s better not to talk to each other.

“Yu Qianqian.”

Yu Jia stood up abruptly and said to Gong Lingyu, " "Move aside, I need to go to the washroom!"

".....?" This was not giving him any chance to speak at all!

Gong Lingyu was also a little annoyed, but he didn't give in at all. He even raised his foot and placed it on the table leg, blocking Yu Jia's way. let me finish first, or don't even think about leaving.

Yu Jia seemed to have heard something funny. She curled her lips and narrowed her eyes. I'll give you three seconds to think about it. Do you want to move or break your leg? "

".....?"

Was Yu Jia really a woman? Did you reincarnate into the wrong family in this life? He wanted to hit people for no reason!

"Yu Jia, will you die if you listen to me?"

"Yes, you will die!"

yes! Yu Jia answered without hesitation. He looked at him and started counting, " one, two, three!

"Hey, how can you be like this? we haven't even started yet! You're cheating!" Gong Lingyu protested angrily.

As soon as he said those three words, Yu Jia immediately lifted her leg and kicked Gong Lingyu's foot. Gong Lingyu barely dodged it, but in the next second, Yu Jia had already squeezed out of the crowd.

"Yu Jia!"

Gong Lingyu was so angry that he clenched his teeth and glared at Yu Jia's back, almost piercing two human holes in her body.
