“Tsk, tsk, tsk.”

Although su Wanwan was picking up her food at the dining area, her eyes never left Gong Lingyu and Yu Jia’s situation. She created an opportunity for them to be alone, but she didn’t expect Gong Lingyu to be so bad. He couldn’t even maintain it for a few minutes before Yu Jia ran away.

However, this was the first time she had seen them together. She didn’t expect the scene to be so explosive. How could Yu Jia, who had always been calm and collected, still be calm in front of Gong Lingyu? If this wasn’t love, then what was it?

Su Wanwan sighed and said to PEI Munian beside her: “Niannian, it seems like Lingyu’s revolution still has a long way to go.”

PEI Munian followed su Wanwan’s line of sight and smiled. if you want to be quick, I can find someone to lock them in a room. They won’t be released until we make it clear.

“.....?” Su Wanwan’s Black eyes widened slightly. niannian Qian Qian didn’t expect you to be so considerate of Lingyu.

“Yes.”

PEI Munian responded. She picked up a pair of tweezers and put a small piece of cake on su Wanwan’s plate. She said lightly, “If he’s with Yu Jia, he won’t be thinking about the people he shouldn’t be thinking about.”

Someone he shouldn’t be thinking about?

Su Wanwan suddenly understood and didn’t know whether to laugh or cry. She thought that he was really thinking about his younger brother. It turned out that he was still jealous. niannian, you’re really the king of jealousy!

“You’re too kind!”

Who was complimenting him? Su Wanwan reproached him and glared at him. Her gaze returned to the plates of delicious food in front of her. She saw that there was her favorite dry-fried rice noodles in front of her. She walked over and picked up the tweezers to pick it up.

Then, her hands trembled a little. She picked up a big piece, but before she put it on the plate, it fell back.

Gong Lingyu had walked over unknowingly and was picking up his food from a plate. Seeing her like this, he couldn’t help but ask with concern, “Wanwan, what happened to your hand?”

What’s wrong with your hand, Yingluo?

Su Wanwan’s hand suddenly stopped and she glared fiercely at PEI Munian. It was all his fault for grabbing her hand and doing hand exercises for more than an hour. Until now, her fingers were still stiff.

PEI Munian looked at su Wanwan's angry eyes and the corners of her lips curled up evilly. In a low voice, she deliberately repeated Gong Lingyu's words. yes, Wanwan, what happened to your hand? Are you feeling uncomfortable?"

Su Wanwan's cheeks quickly turned red, angry and annoyed. Gong Lingyu was beside her, so she couldn't say anything. She could only grit her teeth and jump out word by word, " it's okay, nothing happened. Good, very good!

The smile in PEI Munian's eyes deepened. Su Wanwan was so angry that she laughed. She lifted her foot and then stepped on the foot beside her.

Unexpectedly, Gong Lingyu happened to be walking towards her on the other side while holding the tray. He had just steadied himself when he felt a sharp pain in his foot. He couldn't help but gasp. Wan, Wanwan, Wanwan, why did you step on me? "

".....?"She was clearly going to step on PEI Munian, so why did she step on Lingyu?

"I'm, I'm sorry, Lingyu. I didn't mean it."

Su Wanwan quickly retracted her leg and looked up to look for PEI Munian, but he was already standing behind her. He stretched out his arm and picked up some dry fried rice noodles for her. He leaned over, his thin lips moved close to her ear and gently breathed out. wifey, eat more, this is your reward.

Reward

Hooligan, big pervert!

Su Wanwan's cheeks burned red. She glared at the man behind her and angrily stuffed the plate in her hand into his hand. you, take a portion of all the food here for me!
