PEI Munian took the plate and replied with a smile, " alright, I'll get you a portion of everything. Go back and sit down. After a pause, he added, " I can hold it firmly in my hand. It won't fall off.

".....?"

Su Wanwan couldn't help but raise her foot and kick at PEI Munian. He dodged it nimbly, but su Wanwan's foot kicked Gong Lingyu, who was walking in this direction.

"Wuwuwuwu." Gong Lingyu yelped in pain and almost dropped the plate in his hand. Wanwan, why did you kick Zhenzhen and me? "

"Lingyu, I'm, I'm sorry." Su Wanwan bit her lower lip and covered her cheek in embarrassment. She hurriedly turned around and returned to her seat.

Gong Lingyu gloomily held his aching calf and frowned at PEI Munian, who was smiling at the side.

"Brother, what's wrong with these women recently? They're all so violent, Yu Jia and Wanwan. It hurts so much."

There were already a few bruises on his calf from Yu Jia's kick yesterday. Just now, Wanwan happened to kick those bruises, and that feeling was simply sour.

PEI Munian's hand patted Gong Lingyu's shoulder lightly and her voice was calm. women are bound to be irritable for a few days in a month. Please understand.

".....?"Irascible as he was, why was he always the one being irascible?

After breakfast, there were already a lot of people on the beach outside. They were either strolling, lying on the beach and basking in the sun, or doing some water activities. Su Wanwan looked at them, the corners of her lips rose, and she suggested, " "Let's go out and play too."

PEI Munian naturally let her do whatever she wanted, while Gong Lingyu looked at Yu Jia. Su Wanwan's eyes were finally fixed on Yu Jia. She held her hand and said, " "Go, go, there are so many fun things out there. Didn't you say you wanted to swim and dive here?"

"Alright," he said. Unable to refuse, Yu Jia nodded. but you guys go first. I'll go back to my room to get my swimsuit.

"En, then let Lingyu accompany you back to get it. I'll go out with niannian first!"

"No, I'm not."

Before Yu Jia could say anything, su Wanwan had already pulled PEI Munian away. It was as if her feet were oiled, and in the blink of an eye, their figures could no longer be seen.

Why didn't she know that su Wanwan was so quick in her actions? Yu Jia was so angry that he almost laughed.

"Yu Jia, let's go. I'll go back with you."

Gong Lingyu's voice rang in his ears. Then, he stood up and made way for her.

"No need, I'll go back and get it myself!" Yu Jia left these words, got up, and left.

"Yu Jia!" Gong Lingyu shouted and hurriedly followed after her.

PEI Munian walked out of the hotel with Su Wanwan in her arms. The sky was blue and the clouds were white. The sun was exceptionally bright. Su Wanwan raised her head slightly, closed her eyes, and took a deep breath. She sighed. the air is so good.

PEI Munian smiled. what do you want to play? "

"I just ate. Let's go to the beach for a walk!"

"Alright," he said.

The two of them walked forward in an embrace and walked into the beach. Su Wanwan directly took off her shoes and stepped on the soft sand barefooted. She felt unusually comfortable and said in surprise, " "Niannian, take off your shoes. This sand is so comfortable to step on."

As Su Wanwan spoke, she squatted down and took off PEI Munian's shoes. PEI Munian cooperated with her and took off her shoes. Then, she dragged PEI Munian and ran towards the sea.

The sea water gushed over, wetting their feet and seeping into their hearts. Su Wanwan took advantage of PEI Munian's inattention, bent down, held the water with both hands, and splashed it at PEI Munian.
